Agreement, the “*Purchaser*” or the “*Stalking Horse Bidder*”), and, solely for the purposes of Section 6.19 of the Stalking Horse Agreement, DISH Network Corporation, and such other agreements to be entered into among the parties as contemplated therein, and (ii) approving the proposed Amended Bid Procedures (attached hereto as Exhibit C) and Bid Protections in conjunction therewith (including, without limitation, the Break-Up Fee in the amount of \$27.5 million and the Expense Reimbursement in the maximum amount of \$3 million, subject to the terms of the Purchase Agreement); and there being no opposition to the Motion, and upon the Court’s consideration of the Motion and the factual representations made by the Debtors, and upon all of the proceedings had before the Court; and after due deliberation, and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:

A. This Court has jurisdiction over this matter and over the property of the Debtors and their respective bankruptcy estates pursuant to 28 U.S.C. §§ 157(a) and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (N), and (O). The statutory predicates for the relief sought herein are 11 U.S.C. §§ 105, 363, 364, 365 and 503 and Fed. R. Bankr. P. 2002, 6004, 6006, 9008, and 9014. Venue of these cases and the Motion are proper pursuant to 28 U.S.C. §§ 1408 and 1409.

B. The relief granted herein is in the best interests of the Debtors, their estates, their stakeholders, and other parties in interest. The Stalking Horse Agreement enables the Debtors to establish a minimum bid for the Assets at the Auction and therefore provides a clear benefit to the Debtors’ estates.

C. The notice of the Motion and hearing given by the Debtors constitutes due and sufficient notice thereof. Pursuant to the requirements of this Court’s *Order Pursuant to*

Sections 105(a) and (d) of the Bankruptcy Code and Bankruptcy Rules 1015(c), 2002(m) and 9007 Implementing Certain Notice and Case Management Procedures [Docket No. 60] and the *Order Pursuant to 11 U.S.C. §§ 105, 363, 364, 365, 503 and 507 and Fed. R. Bankr. P. 2002, 4001, 6004, 6006 9008 and 9014, Approving (a) Bid Procedures, (b) Notice of Sale, Auction, and Sale Hearing, and (c) Assumption Procedures and Related Notices* [Docket No. 577] (the “**Initial Bid Procedures Order**”), a reasonable opportunity to object or be heard regarding the relief granted by this Order has been afforded to all parties.

D. The Debtors have articulated good and sufficient reasons for the Court to (i) authorize entry into the Purchase Agreement with the Stalking Horse Bidder and (ii) approve the Amended Bid Procedures and Bid Protections (including the Break-Up Fee and the Expense Reimbursement) pursuant to and as provided in the Purchase Agreement.

E. The Break-Up Fee and the Expense Reimbursement, to the extent payable under the Purchase Agreement, (i) shall be deemed actual and necessary costs and expenses of preserving the Debtors’ estates, (ii) provide a substantial benefit to the Debtors’ estates, (iii) are reasonable and appropriate, including in light of the size and nature of the sale of substantially all of the Debtors’ Assets (the “**Sale Transaction**”) and the efforts that have been and will be expended by the Purchaser, (iv) have been negotiated by the parties and their respective advisors at arm’s length and in good faith, and (v) are necessary to ensure that the Purchaser will continue to pursue the proposed Sale Transaction.

F. The Break-Up Fee, the Expense Reimbursement and the adoption of the Amended Bid Procedures are material inducements for and conditions of the Purchaser’s entry into the Purchase Agreement. The Purchaser is unwilling to commit to purchase the Assets under the

terms of the Purchase Agreement unless the Purchaser is assured payment of the Break-Up Fee and the Expense Reimbursement and the adoption of the Amended Bid Procedures.

THEREFORE, IT IS ORDERED, ADJUDGED, AND DECREED THAT:

1. The Motion is granted, as provided herein.

Amended Bid Procedures

2. The Amended Bid Procedures, substantially in the form annexed hereto as Exhibit C and incorporated herein by reference, are hereby approved.⁴ The failure specifically to include or reference a particular provision of the Amended Bid Procedures in this Order shall not diminish or impair the effectiveness of such provision.

4. Upon entry of an order of this Court approving the sale of the Assets to the Successful Bidder, or such earlier time as may be announced by the Debtors, in their sole discretion, the Auction shall be deemed “Closed.” No bids can or will be accepted by the Debtors after the Auction is Closed.

5. The Court shall hold a hearing on **July 7, 2011 at 1:00 p.m. (prevailing Eastern Time)** (the “***Sale Hearing***”) in the United States Bankruptcy Court for the Southern District of New York, Alexander Hamilton Custom House, One Bowling Green, New York, New York 10004, at which time the Court shall consider the approval of the Sale Transaction as set forth in

(a) Purchase Price. The total purchase price (“Purchase Price”) shall be \$1.375 billion and shall consist of: (i) \$50 million, which shall be deposited into the Escrow Account to provide funding for working capital and administrative expenses incurred, accrued, payable or paid by Sellers during the period from the Funding Date through December 31, 2011, in accordance with the Operating Budget (the “Working Capital Escrow Consideration”); (ii) \$1.295 billion, which shall be payable on or before the Funding Date (the “Funding Date Payment” and, together with the Working Capital Escrow Consideration, the “Funding Date Consideration”); (iii) \$30 million, less the amount of the Employee Obligations, which shall be payable as set forth in Section 2.5(b)(v) (the “Closing Date Payment”) and (iv) the Purchaser’s assumption of the Employee Obligations on the Closing Date. The Purchase Price is payable as set forth in Section 2.5(b).

(b) Payment of Purchase Price and Other Sources of Funding.

- (i) Simultaneously with the execution of this Agreement, the parties shall execute and deliver the Escrow Agreement and Purchaser shall contemporaneously deposit into the Escrow Account, by wire transfer of immediately available funds, cash in the amount of \$68.75 million, which funds shall be held by the Escrow Agent and invested as provided for in the Escrow Agreement (such funds, the “Good Faith Deposit”) and released by the Escrow Agent only in accordance with this Agreement and the Escrow Agreement.
- (ii) On the Funding Date, the Good Faith Deposit shall be released from the Escrow Account pursuant to the Escrow Agreement and credited against the Funding Date Consideration portion of the Purchase Price payable to Sellers.
- (iii) On the Funding Date, Purchaser shall cause the Working Capital Escrow Consideration to be deposited into the Escrow Account; it being understood that to the extent that any portion of the Working Capital

Escrow Consideration has not been (a) disbursed to Sellers or (b) reserved by Sellers in order to satisfy working capital and administrative expenses incurred, accrued, payable or paid by Sellers during the period from the Funding Date through December 31, 2011, in accordance with the Operating Budget, as of the earlier of the Closing or December 31, 2011, such remaining Working Capital Escrow Consideration shall be distributed to Sellers promptly after such date.

- (iv) On the Funding Date, Purchaser shall pay to Sellers the Funding Date Payment (net of the amount previously paid as the Good Faith Deposit) by wire transfer of immediately available funds to an account specified by Sellers in writing.
- (v) Upon the earliest to occur of: (i) the Closing, (ii) two (2) Business Days following the date upon which the FCC or Industry Canada denies, dismisses or designates for an evidentiary hearing the applications for the FCC Consent or the Industry Canada Approval or (iii) two (2) Business Days following the date upon which an Alternative Sale Notice is delivered in accordance with Section 3.5(b)(i) of this Agreement, Purchaser shall pay to Sellers the Closing Date Payment by wire transfer of immediately available funds to an account specified by Sellers in writing; provided that if the Closing Date Payment is to be made pursuant to clauses (ii) or (iii) of this Section 2.5(b)(v) for purposes of making the Closing Date Payment, the amount of the Employee Obligations shall be deemed to be \$5,000,000 (the “Employee Obligation Amount”) and Purchaser shall have no obligation under this Agreement to assume any Employee Obligations in excess of the Employee Obligation Amount.
- (vi) Purchaser shall be entitled to withhold from any amount payable pursuant to this Agreement, such amounts as Purchaser is required to deduct and withhold with respect to the making of such payment under any provision of applicable federal, state, local or foreign Tax law. To the extent that amounts are so withheld and paid over to the appropriate Tax Authority by Purchaser, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to Sellers. To the extent Purchaser believes a withholding tax will apply, Purchaser shall give Seller notice thereof and shall work with Seller in good faith in an effort to mitigate such withholding.

(c) Allocation of Purchase Price. Within sixty (60) days of the Closing Date, Purchaser shall prepare and deliver to Sellers a statement allocating the sum of the Purchase Price, the Assumed Liabilities and other relevant items among the Acquired Assets in accordance with Section 1060 of the Code and the Treasury regulations promulgated thereunder and the Income Tax Act and upon reasonable consultation with Sellers, and with Sellers’ consent, which consent shall not be unreasonably withheld or delayed (such statement, the “Allocation Statement”). The parties shall follow the Allocation Statement for purposes of filing IRS Form 8594 and all other Tax Returns, and shall not voluntarily take any position inconsistent

therewith. If the IRS or any other taxation authority proposes a different allocation, Sellers or Purchaser, as the case may be, shall promptly notify the other party of such proposed allocation. Sellers or Purchaser, as the case may be, shall provide the other party with such information and shall take such actions (including executing documents and powers of attorney in connection with such proceedings) as may be reasonably requested by such other party to carry out the purposes of this section. Except as otherwise required by Applicable Law or pursuant to a “determination” under Section 1313(a) of the Code (or any comparable provision of United States state, local, or non-United States law), (i) the transactions contemplated by Article II of this Agreement shall be reported for all Tax purposes in a manner consistent with the terms of this Section 2.5(c); and (ii) neither party (nor any of their Affiliates) will take any position inconsistent with this Section 2.5(c) in any Tax Return, in any refund claim, in any litigation or otherwise. Notwithstanding the allocation of the Purchase Price set forth in the Allocation Statement, nothing in the foregoing shall be determinative of values ascribed to the Acquired Assets or the allocation of the value of the Acquired Assets in any plan or reorganization or liquidation that may be proposed and the Sellers reserve the right on their behalf and on behalf of the Sellers’ estates, to the extent not prohibited by Applicable Law and accounting rules, for purposes of any plan of reorganization or liquidation, to ascribe values to the Acquired Assets and to allocate the value of the Acquired Assets to different Sellers in the event of, or in order to resolve, inter-estate creditor disputes in the Bankruptcy Cases.

Section 2.6 Sale Free and Clear. Sellers acknowledge and agree and the Sale Order shall provide that, on the Funding Date and concurrently with the Funding, all then existing or thereafter arising Seller Liabilities, Claims, Interests and Liens (other than those in favor of Purchaser created under this Agreement and/or any Ancillary Agreement, the Assumed Permitted Liens, if any, and Assumed Liabilities) of, against or created by any of Sellers or their bankruptcy estates, to the fullest extent permitted by Section 363 of the Bankruptcy Code, shall be fully released from and with respect to the Acquired Assets and thereupon shall attach to the Purchase Price with the same force, effect, validity, enforceability, and priority as such Seller Liabilities, Claims, Interests and Liens had attached to the Acquired Assets as of the Funding Date. Following receipt of the Specified Regulatory Approvals, on the Closing Date in accordance with Section 3.1(c)(i) of this Agreement, the Acquired Assets shall be Transferred to Purchaser and/or one or more of its Affiliates or Subsidiaries, as applicable, to the fullest extent permitted by Section 363 of the Bankruptcy Code, free and clear of all Seller Liabilities, Claims, Interests, Liens, and rights of first refusal or offer, other than the Assumed Permitted Liens, if any, and the Assumed Liabilities or, in the event of an Alternative Sale to a Third Party purchaser under Section 3.5 of this Agreement, the Acquired Assets shall be Transferred to such Third Party purchaser and/or one or more of its Affiliates or Subsidiaries, as applicable, free and clear to the fullest extent permitted by Section 363 of the Bankruptcy Code, to the same extent as contemplated under this Agreement had the Acquired Assets been transferred to Purchaser hereunder.

(b) Alternative Sale.

- (i) Sale Notice. At the earliest to occur of (A) the date six months after the application for the FCC Consent with respect to the Transactions has been submitted to the FCC, if all or any one of the Specified Regulatory Approvals shall not have been granted on or prior to such date, (B) the date that is ten (10) Business Days after Purchaser becomes aware that any of Sellers has or have committed a material breach of this Agreement or any Ancillary Agreement, and such material breach shall not have been cured during the ten (10) Business Day period after Purchaser provides written notice thereof to the Sellers, (C) the date upon which the FCC or Industry Canada denies, dismisses or designates for an evidentiary hearing the applications for the FCC Consent or the Industry Canada Approval, or

In the event that the Closing has not occurred, at any time after January 1, 2013, unless a Purchaser Alternative Sale Notice shall previously have been delivered, Sellers shall have the right to deliver a written notice ("Seller Alternative Sale Notice" and together with the Purchaser Alternative Sale Notice, the "Alternative Sale Notice") to Purchaser to implement the Alternative Sale Procedures to sell or otherwise dispose of the Acquired Assets. Notwithstanding any other provision hereof, it is understood and agreed that all Specified Regulatory Approvals and any other required approvals from Governmental Entities must be obtained for any Alternative Sale and are conditions precedent to the closing of any Alternative Sale and Sellers will retain *de facto* and *de jure* ownership, direction and control (within the meaning of the Communications Laws) of the Acquired Assets, including, for the avoidance of doubt, of all FCC Licenses, FCC-licensed facilities, Industry Canada Licenses and Industry Canada-licensed facilities until the closing of any Alternative Sale.

- (ii) Alternative Sale Procedures. From and after the date of an Alternative Sale Notice, Sellers shall comply with all commercially reasonable directions from Purchaser with respect to an Alternative Sale and otherwise cooperate with Purchaser in conducting each Alternative Sale in accordance with the Alternative Sale Procedures (including engaging the Investment Bank and such other advisors in connection with each Alternative Sale as may be requested by Purchaser), and shall follow reasonable instructions from Purchaser in determining the terms and conditions of the Alternative Sale and the sale process. It is expressly understood and agreed that the Alternative Sale is for the sole benefit and account and at the sole risk of Purchaser, in no event shall Sellers market, initiate or enter into any Alternative Sale or any agreement therefor without the prior written consent of Purchaser and in no event shall Sellers be required to provide any indemnification to a Third Party purchaser in connection with an Alternative Sale nor shall Purchaser be entitled to any refund or reduction of the Purchase Price regardless of the price paid for the Acquired Assets by a Third Party in an Alternative Sale. Sellers further agree and confirm that they shall direct the Third Party purchasers in the Alternative Sale to pay all proceeds payable in the Alternative Sale directly to Purchaser. Purchaser shall pay for any and all of costs and expenses reasonably incurred by Sellers in accordance with this Section

3.5(b) in conducting an Alternative Sale; provided, however, that the engagement of any Investment Bank or any other professional shall be governed by and paid for pursuant to the procedures set forth in Exhibit B.

- (iii) Effect of Alternative Sale. Upon the closing and consummation of any Alternative Sale, (A) all amounts in the Escrow Account relating to the Working Capital Escrow Consideration (which, for the avoidance of doubt, shall only include the amount paid on the Funding Date with respect to the estimated working capital and administrative expense requirements of the Sellers through December 31, 2011), to the extent not previously released and delivered to Sellers, shall be released therefrom and delivered to Sellers in accordance with this Agreement and the Escrow Agreement, (B) all other amounts in the Escrow Account (which, for the avoidance of doubt, shall only include amounts paid with respect to the estimated working capital requirements of the Sellers from and after January 1, 2012) shall be released therefrom and delivered to the Purchaser, and (C) this Agreement and the Escrow Agreement shall immediately be terminated (except for provisions of this Section 3.5(b) and such other provisions of this Agreement and the Escrow Agreement as are expressly stated to survive termination).

(c) Subject to any order of the Bankruptcy Court, the Canadian Court or other court of competent jurisdiction, and without in any way limiting any provision of this Agreement (including Section 6.1 or Section 6.4 hereof) that is otherwise operative during such period, Sellers covenant and agree that, after the Funding and until the Closing:

- (i) Sellers shall cause to be delivered to Purchaser the following:

 - (6) monthly reports relating to T1 generated by Sellers and notice of any material anomalies affecting T1 of which any Seller has Knowledge.
- (ii) Following the Funding Date, (1) Purchaser shall be permitted to designate one representative of its choosing to attend all meetings of the Board of Directors of each Seller or each Seller Successor and any committees thereof, in each instance, in a nonvoting observer capacity and (2) TerreStar Networks shall use its reasonable best efforts to cause Solutions to allow Purchaser to designate one representative of its choosing to attend all meetings of the Board of Directors of Solutions, in a nonvoting observer capacity. Except to the extent prohibited by Applicable Law, TerreStar Networks and each of the other Sellers, on behalf of itself and each Seller Successor, agrees to provide Purchaser's representative the opportunity to attend all such meetings, and to cause such representative to be provided with copies of all notices, minutes, consents, and other materials (financial or otherwise) that are provided to directors of any such Board of Directors at the same time and in the same manner as provided to such directors; provided, however, that such representative shall agree to hold in confidence all information so provided, and provided, further, that

Sellers shall not be required to provide such representative with any information that Sellers (1) reasonably believe to be protected by attorney-client privilege in circumstances where such privilege would be breached by providing information to such representative or (2) reasonably determine is a matter as to which there is a conflict of interest between Purchaser or its Affiliates, on the one hand, and such Seller, on the other hand. The Purchaser representative shall be required to leave any board meeting for any discussion that Sellers (1) reasonably believe to be protected by attorney-client privilege in circumstances where such privilege would be breached by such representative's participation in the discussion, or (2) reasonably determine involves a matter as to which there is a conflict of interest between Purchaser or its Affiliates, on the one hand, and such Seller, on the other hand. In the event that any Seller or Seller Successor or Solutions does not have a Board of Directors, then, with respect to such Seller or Seller Successor, Purchaser's representative shall be provided with the rights set forth herein with respect to any comparable governing body, and, with respect to Solutions, TerreStar Networks shall use its reasonable best efforts to cause Solutions to allow Purchaser to designate one representative of its choosing to attend all meetings of any comparable governing body of Solutions, in each instance, in a nonvoting observer capacity.

Each Seller with respect to itself only, hereby represents and warrants to Purchaser that the statements contained in this Article IV are true and correct as of the date of this Agreement, (i) except as otherwise stated in this Article IV, (ii) except as set forth in the corresponding sections or subsections of the Disclosure Letter delivered by Sellers to Purchaser concurrently with the execution and delivery hereof (it being agreed that disclosure of any information in a particular section or subsection of the Disclosure Letter shall be deemed disclosure with respect to any other section or subsection only to the extent that the relevance of such item is readily apparent) and (iii) all representations and warranties in this Article IV regarding Solutions are made solely to the Knowledge of TerreStar Networks.

conversations with Governmental Entities in respect of any required FCC Consent, Industry Canada Approval or Competition Act Approval unless the party consults with the other party in advance and gives the other party the opportunity to review drafts of any submissions or filings, and attend and participate in any communications or meetings; and

- (viii) where a party seeks not to provide the other party with any information under this Section 6.3 on grounds that such information is competitively sensitive, such party will be required to provide the information to the other party's external counsel and such external counsel will not provide the information to its client.

(d) Notwithstanding the foregoing or any other covenant herein contained, nothing in this Agreement shall be deemed to require Purchaser or Sellers to (i) commence any litigation against any Person in order to facilitate the consummation of any of the Transactions; (ii) take or agree to take any other action or agree to any limitation that would reasonably be expected to have a Purchaser Material Adverse Effect on the one hand, or a Material Adverse Effect on the other hand; (iii) agree to sell or hold separate any material assets, businesses, or interest in any material assets or businesses of Purchaser or Sellers, or to agree to any material changes or restrictions in the operation of any assets or businesses of Purchaser, Sellers or Solutions; (iv) defend against any litigation brought by any Governmental Entity seeking to prevent the consummation of, or impose limitations on, any of the Transactions; or (v) participate in an evidentiary hearing before the FCC in order to facilitate the consummation of any of the Transactions.

(e) Purchaser shall, as soon as reasonably practicable after the execution of this Agreement, but in no event more than twenty (20) Business Days after the execution of this Agreement, prepare and file with the Investment Review Division of Industry Canada an application for review under Part IV of the Investment Canada Act (the "Investment Canada Filing") and, as promptly as reasonably practicable following such filing, submit to the Director of Investments under the Investment Canada Act draft written undertakings to Her Majesty in Right of Canada, on terms and conditions satisfactory to Purchaser, acting reasonably, and in good faith and with a view to obtaining the Investment Canada Approval, and shall, in a timely manner, submit executed undertakings in connection with the Investment Canada Approval. With respect to the Investment Canada Approval, Sellers shall use commercially reasonable efforts to assist Purchaser in obtaining the Investment Canada Approval as Purchaser may reasonably request from time to time including, promptly providing such information and assistance as may be reasonably requested by Purchaser to assist in preparing the Investment Canada Act Filing and to satisfy, as promptly as reasonably practicable, any requests for information and documentation Purchaser receives from any Governmental Entity in respect of the Investment Canada Approval. Purchaser shall keep Sellers reasonably informed as to the status of the Investment Canada Approval proceedings and shall promptly advise Sellers of any material written or verbal communications Purchaser has with the Investment Review Division of Investment Canada staff or the Minister of Industry or his designee relating to the Investment Canada Approval. Information and documentation to be provided by Purchaser may be provided to counsel to Sellers on an external counsel basis and will not be communicated to Sellers.

Section 6.4 Notification of Certain Matters. Sellers shall give written notice to Purchaser promptly after becoming aware of (i) the occurrence of any event, which would be likely to cause any condition set forth in Article VII to be unsatisfied at any time from the date hereof to the Closing Date, (ii) any notice or other communication from (x) any Person alleging that the consent of such Person is or may be required in connection with any of the Transactions or (y) any Governmental Entity in connection with any of the Transactions or (iii) any actions, suits, claims, investigations, proceedings or written inquiries commenced relating to Sellers, Solutions, the Acquired Assets or the Business that, if pending on the date of this Agreement, would have been required to be disclosed pursuant to Section 4.9 or, if determined adversely to Sellers or Solutions, could materially and adversely affect any Seller, Solutions, the Acquired Assets or the Business; provided, however, that the delivery of any notice pursuant to this Section 6.4 shall not limit or otherwise affect the remedies available hereunder to Purchaser.

Section 6.5 Transition of the Business. Sellers shall use reasonable best efforts to assist Purchaser in accomplishing a smooth transition of the Business from Sellers to Purchaser. In this regard, Sellers and Purchaser agree that they will enter into good faith discussions concerning the Business, including, personnel policies and procedures, and other operational matters relating to the Business.

Section 6.6 Submission for Court Approvals.

(a) At least 48 hours prior to serving or filing any motion, application, pleading, schedule, report and other paper (including memoranda, exhibits, supporting affidavits and evidence and other supporting documentation) in their Bankruptcy Cases or in the CCAA Recognition Proceedings relating to or affecting the Transactions, including the Sale Motion (as defined below) and any such pleading seeking subsequent relief related thereto, Sellers shall provide a draft thereof to Purchaser and its counsel, and provide Purchaser (and its advisors and counsel) with a reasonable opportunity to consult within such 48 hour period with Sellers with respect to any and all such motions, applications, pleadings, schedules, reports and other papers.

(b) Sellers shall take all actions reasonably required to assume and assign the Designated Contracts to Purchaser, including taking all actions reasonably required to obtain a Bankruptcy Court order containing a finding that the proposed assumption and assignment of the Designated Contracts to Purchaser satisfies all applicable requirements of section 365 of the Bankruptcy Code.

(c) Sellers shall use reasonable best efforts to obtain, on or prior to the Funding Date, entry of a Final Order of the Bankruptcy Court providing that the Bankruptcy Court shall retain jurisdiction to hear and determine a motion to assign the Designated Contracts to a Third Party purchaser in an Alternative Sale, pursuant to section 365 of the Bankruptcy Code, including, without limitation, to determine whether the Sellers have provided “adequate assurance” to counterparties to the Designated Contracts within the meaning of, and as required by, sections 365(b) and 365(f) of the Bankruptcy Code.

(d) Promptly upon the execution of this Agreement, Sellers shall use reasonable best efforts to obtain as soon as possible, but subject to the full notice requirements of the Bankruptcy Code and Bankruptcy Rules, the requirements of the Purchaser Protections Order (and the

bidding procedures contained therein) and the Bankruptcy Court's availability, the Bankruptcy Court's entry of the Sale Order, and thereafter the Canadian Court's entry of the Sale Recognition Order. Each of the Sale Order and the Sale Recognition Order shall be in form and substance reasonably satisfactory to Purchaser.

(e) If the Sale Order or the Sale Recognition Order shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing, reargument or leave to appeal shall be filed with respect to any such order), Sellers and Purchaser will cooperate in taking steps to reasonably diligently defend such appeal, petition or motion and use reasonable best efforts to obtain an expedited resolution of any such appeal, petition or motion.

Section 6.7 Employee Matters.

(a) Prior to the Closing Date, Purchaser may, or may cause an Affiliate to, offer to employ, such employment to be effective on the Closing Date, each of the employees of Sellers (including those designated by the Chief Executive Officer of TerreStar Networks to be included therein and not to exceed a total number of 25 individuals) listed in the Key Employee Incentive Plan (each such employee who accepts an offer and commences working for Purchaser or its Affiliate on the Closing Date, a "Transferred Employee") on terms and conditions that are at least the same as or better than the terms and conditions that are in effect for those employees immediately prior to the Closing Date (including, the terms of the Key Employee Incentive Plan), except as may be amended or supplemented by the Employment Term Sheets included as Exhibit I to the Sellers' Plan Supplement dated as of February 2, 2011 [Docket No. 387]. Purchaser shall assume all Employee Obligations with respect to both Transferred Employees and the Sellers' other employees; provided, that Purchaser shall not assume the Employee Obligations to the extent they exceed \$30 million in the aggregate. Sellers shall use reasonable efforts to cooperate with Purchaser in Purchaser's recruitment of and offer to employ the Transferred Employees.

(b) Notwithstanding anything to the contrary contained in this Agreement, Sellers shall retain, and Purchaser shall not assume, any Employee Benefit Plans or Canadian Plans or any other arrangement or agreements with any employees of any Seller or any other Person. Specifically and without limiting the foregoing, Sellers shall retain and Purchaser does not assume any retention or sale bonus arrangements of any Seller with any such employee even if that employee is employed by Purchaser whether under Section 6.7(a) or otherwise. All Seller Liabilities to, or relating to, the Employee Benefit Plans or Canadian Plans, and all Seller Liabilities to, or relating to, any employee under such plans shall be Non-Assumed Liabilities, and Purchaser shall have no obligation or liability with respect to such Employee Benefit Plans and Canadian Plans. Purchaser and Sellers shall take all actions necessary to cause the retention by Sellers of all such Employee Benefit Plans and Canadian Plans.

(c) All material Employee Obligations in respect of each Employee have or shall have been paid in the ordinary course of business by Sellers prior to the Closing Date, or, if applicable, the date upon which the Employee commences employment with Purchaser as a Transferred Employee pursuant to Section 6.7(a), including premium contributions, remittance and assessments for unemployment insurance, employer health tax, Canada Pension Plan,

Quebec Pension Plan, income tax, workers' compensation and any other employment related legislation, accrued wages, taxes, salaries, commissions and employee benefit plan payments.

(d) To the extent that any obligations might arise under the Worker Adjustment Retraining Notification Act ("WARN"), 29 U.S.C. Section 2101 et seq., or under any similar provision of any United States federal, state, regional, non-United States or local law, rule or regulation (hereinafter referred to collectively at "WARN Obligations") as a consequence of the Transactions, Purchaser shall be responsible for such WARN Obligations.

(e) From the date of this Agreement through the Closing Date, Sellers shall allow Purchaser reasonable access to meet with and interview Employees during normal business hours and Sellers shall provide reasonable cooperation and information to Purchaser as reasonably requested by Purchaser with respect to its determination of appropriate terms and conditions of employment for any Employee who it is making, or causing an Affiliate to make, an offer of employment with Purchaser or its Affiliate.

(f) At Purchaser's request, as of immediately prior to the Closing Date (but conditioned upon the occurrence of the Closing), Sellers shall take all actions necessary or appropriate to terminate or cause to be terminated any or all of the Employee Benefit Plans that are intended to be tax-qualified within the meaning of Section 401(a) of the Code. Sellers and Purchaser shall cooperate in good faith prior to the Closing with respect to the preparation and execution of all documentation necessary to effect the foregoing termination, and Sellers shall provide Purchaser a reasonable opportunity to review and comment on all such documentation.

Section 6.8 Subsequent Actions. If at any time after the Closing Date, Purchaser or Sellers consider or are advised that any deeds, bills of sale, instruments of conveyance, assignments, assurances or any other actions or things are necessary or desirable to vest, perfect or confirm ownership (of record or otherwise) in Purchaser, its right, title or interest in, to or under any or all of the Acquired Assets or otherwise to carry out this Agreement, including the assumption of the Assumed Liabilities, Purchaser or Sellers shall at Purchaser's expense, execute and deliver all deeds, bills of sale, instruments of conveyance, powers of attorney, assignments, assumptions and assurances and take and do all such other actions and things as may be requested by the other party in order to vest, perfect or confirm any and all right, title and interest in, to and under such rights, properties or assets in Purchaser or otherwise to carry out this Agreement.

For the avoidance of doubt, this Section 6.8 shall survive the Closing.

Section 6.9 Publicity. Prior to the Closing and without limiting or restricting any party from making any filing with the Bankruptcy Court with respect to this Agreement or the Transactions, no party shall issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of the other party, which approval will not be unreasonably withheld or delayed, unless, in the reasonable judgment of Purchaser or Sellers, disclosure is otherwise required by Applicable Law, the Bankruptcy Code or the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement or by the applicable rules of the Securities Exchange Commission or any stock exchange on which Purchaser lists securities, provided that

the party intending to make such release shall use its reasonable best efforts consistent with such Applicable Law, the Bankruptcy Code or Bankruptcy Court requirement to consult with the other party with respect to the text thereof.

Section 6.10 Tax Matters.

(a) The Purchaser and the Sellers agree that the Purchase Price is exclusive of any Transfer Taxes. The Purchaser shall promptly pay directly to the appropriate Tax Authority all applicable Transfer Taxes that may be imposed upon or payable or collectible or incurred in connection with this Agreement or the transactions contemplated herein, or that may be imposed upon or payable or collectible or incurred in connection with the Transactions provided that if any such Transfer Taxes are required to be collected, remitted or paid by a Seller, such Transfer Taxes shall be paid by the Purchaser to such Seller at such time as such Transfer Taxes are required to be paid under Applicable Law.

(b) In the event that Sellers elect to file a plan of reorganization or liquidation in conjunction with the Transactions, Purchaser and Sellers covenant and agree that they will use their reasonable best efforts to obtain an order from the Bankruptcy Court pursuant to section 1146 of the Bankruptcy Code exempting, to the maximum extent possible, the Transfer of the Acquired Assets from Sellers to Purchaser from any and all Transfer Taxes (as hereinafter defined). To the extent the Transactions or any portion of the Transactions are not exempt from Transfer Taxes under section 1146 of the Bankruptcy Code, Purchaser shall be responsible for and shall pay all Transfer Taxes in accordance with Section 6.10(a). Purchaser and Sellers shall cooperate in providing each other with any appropriate certification and other similar documentation relating to exemption from Transfer Taxes (including any appropriate resale exemption certifications), as provided under Applicable Law.

(c) Purchaser and Sellers agree to furnish, or cause their Affiliates to furnish, to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets or the Business (including access to books and records) as is reasonably necessary for the filing of all Tax Returns, and making of any election related to Taxes, the preparation for any audit by any taxing authority, and the prosecution or defense of any claim, suit or proceeding relating to any Tax Return. Purchaser and Sellers shall cooperate, and cause their Affiliates to cooperate, with each other in the conduct of any audit or other proceeding related to Taxes and each shall execute and deliver such powers of attorney and other documents as are reasonably necessary to carry out the intent of this Section 6.10(c). Purchaser and Sellers shall provide, or cause their Affiliates to provide, timely notice to each other in writing of any pending or threatened tax audits, assessments or litigation with respect to the Acquired Assets or the Business for any taxable period for which the other party may have liability under this Agreement. Purchaser and Sellers shall furnish, or cause their respective Affiliates to furnish, to each other copies of all correspondence received from any taxing authority in connection with any tax audit or information request with respect to any taxable period for which the other party or its Affiliates may have liability under this Agreement.

(d) Real and personal property Taxes and assessments, and all rents, utilities and other charges, on the Acquired Assets for any taxable period commencing on or prior to the Closing Date and ending after the Closing Date (the “Straddle Period Property Tax”) shall be

prorated on a per diem basis between Purchaser and Sellers as of the Closing Date; provided, however, that Sellers shall not be responsible for, or benefit from, any increased or decreased assessments on real or personal property resulting from the transactions contemplated hereby. All such prorations of Straddle Period Property Taxes shall be allocated so that items relating to time periods ending on or prior to the Closing Date shall be allocated to Sellers and items relating to time periods beginning after the Closing Date shall be allocated to Purchaser. The amount of all such prorations shall be settled and paid on the Closing Date. If any of the rates for the Straddle Period Property Taxes for any taxable period commencing on or prior to the Closing Date and ending after the Closing Date are not established by the Closing Date, the prorations shall be made on the basis of such rates in effect for the preceding taxable period. The apportioned obligations under this Section 6.10(d) shall be timely paid and all applicable filings made in the same manner as set forth for the apportioned Transfer Taxes in Section 6.10(a) and (b).

(e) The Canadian Sellers and Purchaser shall jointly execute an election, where such election is available, under Section 22 of the Income Tax Act and the corresponding sections of any other applicable provincial statute and any regulations under such statutes with respect to the sale, assignment, transfer and conveyance of the Accounts Receivable. The Canadian Sellers and Purchaser further agree to make jointly the necessary elections and execute and file, within the prescribed delays, the prescribed election forms and any other documents required to give effect to the foregoing and shall also prepare and file all of their respective Tax Returns in a manner consistent with the aforesaid allocations.

(f) The Canadian Sellers and Purchaser shall each execute and file a joint election under subsection 20(24) of the Income Tax Act and the corresponding provisions of any other applicable provincial statute and any regulations under such statutes, within the prescribed time periods, as to such amount, if any, paid by the Canadian Sellers to Purchaser for undertaking future obligations of the Canadian Sellers for which an amount has been included in a Canadian Seller's income pursuant to paragraph 12(1)(a) of the Income Tax Act. In this regard, the Canadian Sellers and Purchaser acknowledge that part of the Acquired Assets was transferred to Purchaser as a payment by the Canadian Sellers to Purchaser for the assumption by Purchaser of such future obligations of the Canadian Sellers.

(g) Canadian Sellers and Purchaser shall, where such election is available, jointly execute an election under Section 167 of the Excise Tax Act (Canada) and the corresponding provisions of any applicable provincial statute and any regulations under such statutes on the forms prescribed for such purposes along with any documentation necessary or desirable in order to effect the transfer of the Acquired Assets by Canadian Sellers without payment of any GST/HST or any other applicable provincial tax. Purchaser shall file the election forms referred to above, along with any documentation necessary or desirable to give effect to such, with the tax authorities, together with Purchaser's GST/HST or any other applicable provincial tax returns for the reporting period in which the transactions contemplated herein are consummated. Notwithstanding such election, in the event that it is determined by the tax authorities that there is GST/HST or any other provincial tax liability of Purchaser to pay GST/HST or any other provincial tax on all or part of the Acquired Assets, the Canadian Sellers and Purchaser agree that such GST/HST or any other provincial tax shall, unless already collected from Purchaser and remitted by the Canadian Sellers, be forthwith remitted by Purchaser to the Canadian Sellers

or to the tax authorities as required by the tax authorities, and Purchaser shall indemnify and save the Canadian Sellers harmless with respect to any such GST/HST or any other provincial tax liability arising herein, as well as any interest and penalties related thereto.

(h) The Canadian Sellers shall comply with the provisions of section 99 of the Social Services Tax Act (British Columbia) prior to the Closing and shall deliver to Purchaser all documents necessary in the opinion of the Purchaser for compliance with that Act. The Canadian Sellers shall comply with the provisions of section 51 of the Revenue and Financial Services Act (Saskatchewan) ("Provincial Sales Tax Laws") prior to the Closing and shall deliver to Purchaser all documents necessary in the opinion of the Purchaser for compliance with such Provincial Sales Tax Laws.

(i) At the Funding Date, Purchaser shall be registered under Part IX of the *Excise Tax Act* (Canada) and, if applicable, Chapter VIII of An Act Respecting the Quebec Sales Tax (Quebec) and shall provide its registration number to the Canadian Seller.

Section 6.11 Designation Dates. On or prior to the date of the hearing with regard to the Purchaser Protections Motion, Purchaser shall make its final designations of all contracts, in accordance with Section 2.1(c) hereof, and may, prior to the Closing Date, revise Section 2.1(c) of the Disclosure Letter to exclude from the definition of Designated Contracts and to include in the definition of Retained Assets, any Contract previously included in the definition of Designated Contracts and not otherwise included in the definition of Retained Assets; provided, that no such final designation or revision shall reduce the amount of the Purchase Price.

Section 6.12 Prompt Payment of Cure Amounts; Prepayment of Designated Customer Contracts.

(a) With respect to each Designated Contract, Sellers shall deposit into the Escrow Account, as soon as practicable after the Funding Date, all amounts (the "Cure Amounts") that (i) are required to be paid under section 365(b)(1)(A) or (b)(1)(B) of the Bankruptcy Code in order to assume and assign such contract, or (ii) are due pursuant to order of the Bankruptcy Court as a condition to assuming and assigning such Designated Contract; provided, however, that Cure Amounts that are the subject of a bona fide dispute shall be paid by Sellers within two (2) Business Days of the effectiveness of a settlement or order of the Bankruptcy Court, as the case may be, with respect thereto. All Cure Amounts deposited into the Escrow Account shall be thereafter held, invested and released by the Escrow Agent only in accordance with this Agreement and the Escrow Agreement. For the avoidance of doubt, the Cure Amounts that are required to be paid with respect to each Designated Contract shall, unless otherwise agreed to by Purchaser, be paid by Sellers on or about the effective date of a plan of reorganization.

(b) If there are any payments under any Designated Customer Contract invoiced and collected during the month ending on the Funding Date for services to be rendered under such Designated Customer Contract after the Funding Date, Sellers shall provide to Purchaser, no later than the third (3rd) Business Day after the Funding Date, a statement setting forth the amounts of such prepayments and the Designated Customer Contracts to which they relate.

Sellers shall, concurrently with the delivery of the statement referred to in the preceding sentence, pay over to Purchaser an amount equal to such prepayments.

Section 6.13 Completion of Nonassignable Designated Contracts.

Sellers shall use their reasonable best efforts to obtain any consent, approval or amendment, if any, required to novate and/or assign any Designated Contract to be assigned to Purchaser hereunder which the Bankruptcy Court determines is not able to be assumed and assigned under section 365(c) of the Bankruptcy Code (a “Nonassignable Designated Contract”). Sellers shall keep Purchaser reasonably informed from time to time of the status of the foregoing and Purchaser shall cooperate with Seller in this regard. To the extent that the rights of Sellers under any Nonassignable Designated Contract, or under any other Asset to be assigned to Purchaser hereunder, may not be assigned without the consent of a Third Party which has not been obtained prior to the Closing this Agreement shall not constitute an agreement to assign the same at the Closing, if an attempted assignment would be unlawful. If any such consent has not been obtained or if any attempted assignment would be ineffective or would impair Purchaser’s rights under the instrument in question so that Purchaser would not acquire the benefit of all such rights, then Sellers, to the maximum extent permitted by Applicable Law and the instrument, shall act as Purchaser’s agent in order to obtain for Purchaser the benefits thereunder and shall cooperate, to the maximum extent permitted by Applicable Law and the instrument, with Purchaser in any other reasonable arrangement designed to provide such benefits to Purchaser; provided, however, that nothing contemplated by this Section 6.13 shall reduce the amount of the Purchase Price.

Section 6.14 No Violation. Purchaser will not assume ownership or control (whether *de facto* or *de jure*) of the FCC Licenses and Industry Canada Licenses of Sellers hereunder in a manner that violates any Communications Laws of the United States or Canada.

Section 6.15 Insurance; Risk of Loss. Until the Funding Date, Sellers shall bear the risk of any loss or damage to the Acquired Assets from fire, casualty or any other occurrence. Sellers shall maintain insurance coverage substantially similar to Sellers’ policies in effect as of the date hereof for the period from the date hereof until the Closing Date with respect to the Business and the Acquired Assets for events occurring, circumstances existing and Seller Liabilities accruing before the Closing Date. Following the Funding Date, Purchaser shall have the benefit of any unexpired portion of Sellers’ insurance coverage, and Sellers will use commercially reasonable efforts to, on or prior to the Funding Date, cause Purchaser to be named as the insured party or loss payee under all insurance policies maintained by Sellers or Sold Companies relating to the Acquired Assets to the extent unexpired, and in the event any proceeds become payable under such unexpired insurance policies relating to occurrences or events after the Funding Date and are not paid to Purchaser, Sellers shall and shall cause the Sold Companies to hold such proceeds in trust for the benefit of Purchaser, and shall pay over such proceeds without any deduction to Purchaser promptly after receipt thereof. Nothing herein shall require Sellers to maintain insurance coverage in respect of any Acquired Asset after the Closing Date.

Section 6.16 Purchaser Protections. Sellers shall: (a) no later than June 15, 2011, file the Purchaser Protection Motion; and (b) no later than June 24, 2011, obtain entry of the Purchaser Protections Order by the Bankruptcy Court.

Section 6.17 Use of Proceeds of Funding Date Payment.

(a) Sellers shall: (i) no later than two (2) Business Days after the Debtors determine, in consultation with the Creditors Committee that the Purchaser is the winning bidder at the auction, file with the Bankruptcy Court a motion, in form and substance reasonably acceptable to Purchaser, seeking authority to use the proceeds of the Funding Date Payment to repay in full, on the Funding Date or as soon as reasonably practicable thereafter, all of Sellers' outstanding secured indebtedness, including, without limitation, Sellers' outstanding obligations under (A) the DIP Credit Agreement, (B) the Senior Secured Notes, and (C) the Purchase Money Credit Agreement; and (ii) use their reasonable best efforts to obtain, no later than twenty-six (26) Business Days after filing the motion required by subclause (i) of this Section 6.17(a), entry of a Final Order of the Bankruptcy Court granting the Sellers authority to make the payments set forth in subclause (i) of this Section 6.17(a).

(b) Sellers and Purchaser acknowledge and agree that this Section 6.17 is integral to this Agreement.

Section 6.18 Entry into New DIP Agreement. If, within three (3) Business Days after the date of this Agreement (such third Business Day, the "DIP Agreement Amendment Date"), the DIP Credit Agreement has not been amended to provide that upon entry of the Sale Order, additional debtor-in-possession financing shall be made available to Sellers from the date of entry of the Sale Order (or the current maturity date of the DIP Credit Agreement, if earlier) to the Funding Date (the "Amended DIP Credit Agreement"), Parent shall enter into an agreement to provide such debtor-in-possession financing to Sellers as soon as practicable, but in no event more than five (5) Business Days following the DIP Agreement Amendment Date. Purchaser acknowledges that entry into the Amended DIP Credit Agreement is an integral part of the transactions contemplated by this Agreement and that any breach by Purchaser of this Section 6.18 shall be incapable of being cured.

Section 6.19 Parent Obligations.

(a) Parent agrees to take all action necessary to cause Purchaser to perform all of its agreements, covenants and obligations under this Agreement that arise prior to the Closing Date. Parent unconditionally guarantees to Sellers the full and complete performance by Purchaser of its obligations under this Agreement with respect to payment of the Purchase Price. This is a guarantee of payment and performance and not of collectability. Parent hereby waives diligence, presentment, demand of performance, filing of any claim, any right to require any proceeding first against Purchaser, protest, notice and all demands whatsoever in connection with the performance of its obligations set forth in this Section 6.19.

(b) Parent hereby expressly acknowledges and agrees to be bound by the following provisions of this Agreement: Section 5.11 (Qualification to Hold Communications Licenses), Section 6.18 (Entry into New DIP Agreement), Section 6.19 (Parent Obligations), Section 9.3 (Notices), Section 9.4 (Counterparts), Section 9.6 (Severability), Section 9.7 (Governing Law), Section 9.8 (Exclusive Jurisdiction), Section 9.9 (Remedies), Section 9.10 (Specific Performance), Section 9.11 (Purchaser Acknowledgement), the first sentence of Section 9.12 (Successors and Assigns), Section 9.13 (Headings) and Section 9.17 (Interpretation).

(c) Parent shall be entitled to withhold from any amount payable pursuant to this Section 6.19, such amounts as Parent is required to deduct and withhold with respect to the making of such payment under any provision of applicable federal, state, local or foreign Tax law. To the extent that amounts are so withheld and paid over to the appropriate Tax Authority by Parent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to Sellers.

ARTICLE VII.

CONDITIONS

Section 7.1 Conditions to Obligations of Purchaser. The obligations of Purchaser to consummate the Funding and the Closing shall be subject to the satisfaction (or waiver by Purchaser) on or prior to the Funding Date or the Closing Date, respectively, of the following conditions:

(a) Conditions to the Funding:

- (i) Government Action. There shall be no injunction, restraining order or decree of any Governmental Entity (other than the FCC or Industry Canada) in connection with the Bankruptcy Cases:
 - (1) prohibiting or imposing any material limitations on Purchaser's ownership or operation (or that of any of its Subsidiaries or Affiliates) of all or a material portion of its businesses or assets or the Acquired Assets, or compelling Purchaser or any of its Subsidiaries or Affiliates to dispose of or hold separate any material portion of the Acquired Assets or the business or assets of Purchaser or any of its Subsidiaries or Affiliates;
 - (2) restraining or prohibiting the consummation of the Funding or the performance of any of the other Transactions, or imposing upon Purchaser or any of its Subsidiaries or Affiliates any damages or payments that are material;
 - (3) imposing material limitations on the ability of Purchaser, its Subsidiaries or its Affiliates, or rendering Purchaser, its Subsidiaries or its Affiliates unable, to accept for payment or pay for or purchase a material portion of the Acquired Assets or otherwise to consummate the Funding;
 - (4) imposing material limitations on the ability of Purchaser, its Subsidiaries or its Affiliates to exercise effectively full rights of ownership of the Acquired Assets; or
 - (5) otherwise having a Material Adverse Effect.

- (ii) Regulatory Action. There shall be no injunction, restraining order or decree by the FCC or Industry Canada in effect prohibiting the consummation of the Funding or the performance of any material aspect of the Transactions, taken as a whole or having any of the effects listed in Section 7.1(a)(i)(1) through (5) above.
- (iii) Consents, Approvals and Permits. Other than the Specified Regulatory Approvals, all consents and approvals of any Person (other than a Governmental Entity) set forth in Section 7.1(a)(iii) of the Disclosure Letter, shall have been obtained, except (x) to the extent that the requirement for a particular consent or approval is rendered inapplicable by the Sale Order or other order of the Bankruptcy Court or the Canadian Court, if applicable, or (y) in the case of any Nonassignable Designated Contract. Other than the Specified Regulatory Approvals, all consents and approvals of any Governmental Entity, whether United States federal, state, local or non-United States, required in connection with the consummation of the Funding and the other Transactions, shall have been obtained except where the failure to obtain would not constitute a Material Adverse Effect. A copy of each such consent or approval referred to in this Section 7.1(a)(iii) shall have been provided to Purchaser at or prior to the Funding. All Permits (other than any Permit that constitutes a Specified Regulatory Approval that has not yet been obtained) necessary for the operation of the Business included in the Acquired Assets either have been Transferred to Purchaser or have been obtained by Purchaser except where the failure to obtain would not constitute a Material Adverse Effect. All such consents, approvals and Permits referred to in this Section 7.1(a)(iii) shall be in effect at the Funding and shall not have been amended, modified, revoked or rescinded.
- (iv) Antitrust Approvals. Other than the Specified Regulatory Approvals (excluding for this purpose any Competition Act Approval and any Investment Canada Approval, which, if required, must have been obtained), all terminations or expirations of waiting periods imposed by any Governmental Entity necessary for the consummation of the transactions contemplated by this Agreement, including under any applicable antitrust regulations in any non-United States jurisdiction, shall have occurred and all other notifications, consents, authorizations and approvals required to be made or obtained from any non-United States competition or antitrust authority (including any required Competition Act Approval and any required Investment Canada Approval) shall have been made or obtained for the transactions contemplated by this Agreement.
- (v) Material Adverse Effect. Since the date of this Agreement, there shall not have occurred and be continuing any Material Adverse Effect or any facts, events or circumstances that would reasonably be expected to have such a Material Adverse Effect.

- (vi) Sellers' Representations and Warranties. Each of the representations and warranties set forth in Article IV disregarding all materiality and Material Adverse Effect qualifications contained therein, shall be true and correct (i) as of the date hereof and as of the Funding Date (as though made on the Funding Date) or (ii) if made as of a date specified therein, as of such date, except (with respect to all representations and warranties set forth in Article IV other than Sections 4.1, 4.4, 4.22, 4.24(b) and 4.24(c)) for any failure to be true and correct that, individually and together with other such failures, has not had and would not reasonably be expected to have a Material Adverse Effect.
- (vii) Sellers' Performance of Covenants. Sellers shall not have failed to perform in any material respect any material obligation or to comply in any material respect with any material agreement or material covenant of Sellers to be performed or complied with by them under this Agreement.
- (viii) Certificate of Sellers' Officers. Purchaser shall have received from Sellers a certificate, dated the Funding Date, duly executed by the Chief Executive Officer, and the Chief Financial Officers of each individual Seller, reasonably satisfactory in form to Purchaser, to the effect of paragraph (v) through (vii) above.
- (ix) Sale Order. The Bankruptcy Court shall have entered the Sale Order, the Sale Order shall have become a Final Order and the Sale Order shall not have been reversed, stayed, modified or amended.
- (x) Sale Recognition Order. The Canadian Court shall have entered the Sale Recognition Order in form and substance reasonably satisfactory to Purchaser, the Sale Recognition Order shall be a Final Order and the Sale Recognition Order shall not have been reversed, stayed, modified or amended in any manner materially adverse to Purchaser without Purchaser's consent.
- (xi) Ancillary Agreements. Sellers have duly executed and delivered to Purchaser each of the Ancillary Agreements and such Ancillary Agreements shall have been approved by order of the Bankruptcy Court (which may be included in the Sale Order) and, to the extent deemed reasonably necessary by Purchaser, the Canadian Court shall have entered an order recognizing any such order.

(b) Conditions to the Closing. All of the conditions specified in Section 7.1(a) shall be conditions to the Closing (treating references in Section 7.1(a) to the "Funding" as references to the Closing, as applicable, and "Funding Date" as references to the Closing Date, as applicable), in addition to the following conditions:

- (i) Other Consents. All Third Party consents necessary for the Transfer of the Acquired Assets not previously delivered shall have been obtained.

- (ii) FCC Consent. The FCC Consent shall have been issued.

Section 9.5 Entire Agreement; No Third Party Beneficiaries. This Agreement, the Disclosure Letter and other schedules, annexes, and exhibits hereto, the Ancillary Agreements, the Conveyance Documents and the Sale Order (i) constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof and thereof and supersede and cancel all prior agreements, negotiations, correspondence, undertakings, understandings and communications of the parties, oral and written, with respect to the subject matter hereof, and (ii) are not intended to confer upon any Person other than the parties hereto and thereto any rights or remedies hereunder.

Section 9.6 Severability. Any term or provision of this Agreement that is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If the final judgment of a court of competent jurisdiction or other authority declares that any term or provision hereof is invalid, void or unenforceable, the parties agree that the court making such determination shall have the power to reduce the scope, duration, area or applicability of the term or provision, to delete specific words or phrases, or to replace any invalid, void or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision.

Section 9.7 Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK AND THE APPLICABLE PROVISIONS OF THE BANKRUPTCY CODE.

Section 9.8 Exclusive Jurisdiction. If the Bankruptcy Court does not have or declines to exercise subject matter jurisdiction over any action or proceeding arising out of or relating to this Agreement, then each party (i) agrees that all such actions or proceedings shall be heard and determined in federal court of the United States for the Southern District of New York, (ii) irrevocably submits to the jurisdiction of such courts in any such action or

proceeding, (iii) consents that any such action or proceeding may be brought in such courts and waives any objection that such party may now or hereafter have to the venue or jurisdiction or that such action or proceeding was brought in an inconvenient court, and (iv) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party at its address as provided in Section 9.3 (provided that nothing herein shall affect the right to effect service of process in any other manner permitted by New York law).

Section 9.9 Remedies. Section 9.10 Specific Performance. Sellers, Purchaser and Parent hereby acknowledge and agree that any breach of the terms of this Agreement would give rise to irreparable harm for which money damages would not be an adequate remedy, and, accordingly agree that, in addition to any other remedies, Sellers and Purchaser or their respective successors or assigns shall be entitled to enforce the terms of this Agreement by a decree of specific performance without the necessity of proving the inadequacy of money damages as a remedy and without the necessity of posting a bond.

For the avoidance of doubt, in no event shall any such funding contemplated by this Section 9.11 result in a reduction of, or offset against the Purchase Price.

Section 9.12 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other party, except that Purchaser may assign, in its sole discretion, any or all of its rights, obligations and interests hereunder to any Affiliate or Subsidiary of Purchaser. Any purported assignment in violation of this clause shall be void. Any permitted assignment by a party of its rights hereunder shall not relieve it of its obligations hereunder. Subject to the first sentence of this Section 9.12, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns.

Alternative Sale Procedures

These Procedures will be utilized by Sellers and Purchaser in the marketing for an Alternative Sale.

Purchaser and Sellers shall agree on the selection of an investment bank ("Investment Bank") to market the Alternative Sale. If Purchaser and Sellers are unable to agree, Purchaser shall provide Sellers with the names of at least two nationally recognized investment banks and Sellers shall select an investment bank from the list provided by Purchaser to market the Alternative Sale. The Investment Bank selected to market the Alternative Sale shall be directed to identify bona fide and potential Third Party purchasers for the Alternative Sale. All fees, expenses and indemnities due to the Investment Bank under its engagement letter shall be paid for by Purchaser to the extent that Purchaser reviews and approves in writing the engagement letter terms, it being understood that Sellers will not be required to engage an Investment Bank until Purchaser approves an engagement letter. In addition, and to the extent requested and prepaid by Purchaser, Sellers shall engage such other accountants, advisors and other professionals as may be necessary to market the Alternative Sale. For the avoidance of doubt, Sellers shall not be responsible for any costs associated with or incurred in connection with the Alternative Sale process.

Sellers shall make themselves, their management team and their advisors available to the Investment Bank during the sale process and shall assist the Investment Bank by providing marketing materials and letters of representation in customary form subject to customary indemnities in favor of Sellers for liabilities they may incur in doing so, provided Purchaser reviews and approves in writing the marketing materials and marketing process. Sellers shall not be required to do any of the foregoing without receipt of such indemnity and reasonable compensation with regard thereto. For the avoidance of doubt, Purchaser hereby acknowledges and agrees that during the process of seeking an Alternative Sale, neither Sellers nor the Boards of Directors of any of the Sellers shall have any obligations, fiduciary or otherwise to Purchaser, other than as set forth in this Agreement.

At Purchaser's election, the Alternative Sale may include all or any portion of the Acquired Assets.

If a Plan for the Sellers is to be consummated during the process of seeking an Alternative Sale, then the Plan shall provide that the equity interests in the Sellers shall not be extinguished or cancelled until the closing of the Alternative Sale and control of the board of directors of the Seller entities that hold the FCC Licenses and the Industry Canada Licenses shall not be changed in a manner that would require FCC or Industry Canada approval or constitute a major amendment under applicable FCC or Industry Canada rules pending the closing of the Alternative Sale.

Notwithstanding anything to the contrary in this Exhibit B, at Purchaser's election, Purchaser may pursue an Alternative Sale and dispose of any of the Acquired Assets through any spectrum auction processes that may be established by the U.S. Congress or by the FCC.

RECITALS

WHEREAS, on October 19, 2010, Sellers filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532, as amended (the "Bankruptcy Code"), in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), which cases are being jointly administered under Case No. 10-15446 (the "Bankruptcy Cases");

WHEREAS, on October 21, 2010, the Ontario Superior Court of Justice (Commercial List) granted orders under Part IV of the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended, that, among other things, recognized the Bankruptcy Cases as the "foreign main proceedings" of Sellers;

WHEREAS, on the date hereof, Sellers entered into that certain Asset Purchase Agreement with Purchaser, pursuant to which, among other things, Sellers agreed to sell and transfer to Purchaser, pursuant to sections 363 and 365 of the Bankruptcy Code, all of the Acquired Assets and Assumed Liabilities on the terms and subject to the conditions set forth in such agreement (the "Purchase Agreement");

WHEREAS, pursuant to the Purchase Agreement, Purchaser and Sellers have agreed to place into the Escrow Account (as defined below) certain monies to be held and disbursed in accordance with the Purchase Agreement and this Agreement;

WHEREAS, this Agreement constitutes the "Escrow Agreement" referred to in the Purchase Agreement; and

WHEREAS, capitalized terms used herein and not otherwise defined shall have the respective meanings set forth in the Purchase Agreement.

NOW, THEREFORE, in consideration of the premises, and further consideration of the covenants set forth hereafter, it is hereby mutually agreed as follows:

I. Designation as Escrow Agent.

Sellers and Purchaser hereby appoint Escrow Agent to act as escrow agent and Escrow Agent hereby accepts such appointment, all on the terms and subject to the conditions set forth in this Agreement.

II. Deposit of Escrow Funds.

- (a) Upon execution of this Agreement, Purchaser shall deposit \$68,750,000 (the “Good Faith Deposit”) by wire transfer of immediately available funds into an account (the “Escrow Account”) established with Escrow Agent, with such amount to be thereafter held, invested and released by Escrow Agent only in accordance with this Agreement. For the avoidance of doubt, all interest, income, dividends, and earnings on the Good Faith Deposit will be for the account of Purchaser.
- (b) On the Funding Date, Purchaser shall deposit \$50,000,000 (such funds, together with all interest, income, dividends, distributions and earnings thereon, the “Working Capital Escrow Consideration”) by wire transfer of immediately available funds into the Escrow Account, with such amount to be thereafter held, invested and released by Escrow Agent to Sellers only in accordance with this Agreement.
- (c) With respect to each Designated Contract, Sellers shall deposit, as soon as practicable after the Funding Date, all amounts that (i) are required to be paid under section 365(b)(1)(A) or (b)(1)(B) of the Bankruptcy Code in order to assume and assign such contract, or (ii) are due pursuant to order of the Bankruptcy Court as a condition to assuming and assigning such Designated Contract (such funds, together with all interest, income, dividends, distributions and earnings thereon, the “Cure Funds,” together, with the Good Faith Deposit and the Working Capital Escrow Consideration, the “Escrow Funds”) by wire transfer of immediately available funds into the Escrow Account, with such Cure Funds to be thereafter held, invested and released by Escrow Agent to Sellers only in accordance with this Agreement and used to pay the Cure Amounts in accordance with Section 6.12 of the Purchase Agreement in respect of the contracts designated by Purchaser to be Designated Contracts in accordance with Section 6.11 of the Purchase Agreement.
- (d) Escrow Agent hereby agrees to accept the Escrow Funds and hold the Escrow Funds in the Escrow Account in escrow upon the terms and conditions set forth in this Agreement and disburse the Escrow Funds from the Escrow Account only in accordance with this Agreement.
- (e) Escrow Agent shall invest the Escrow Account pursuant to the joint written directions of Sellers and Purchaser and in the absence of such directions, the Escrow Account shall remain uninvested. Sellers and Purchaser acknowledge that shares in the investment are not obligations of U.S. Bank National Association, are not deposits and are not insured by the Federal Deposit Insurance Corporation. Escrow Agent or its affiliate may be compensated by the mutual fund for services rendered in its capacity as investment advisor, or other service provider, such as provider of shareholder servicing and distribution services, and such compensation is both described in detail in the prospectus for such fund, and is in addition to the compensation, if any, paid to U.S. Bank National Association in its capacity as Escrow Agent hereunder. Escrow Agent shall have no liability for any loss resulting from investments made in accordance with provisions of this Agreement.

III. Disbursement of Escrow Account. Escrow Agent will hold the Escrow Funds in its possession in the Escrow Account until authorized hereunder to deliver such Escrow Funds as follows:

- (a) Good Faith Deposit.

- (i) On the Funding Date, Purchaser shall direct Escrow Agent in writing to deliver the Good Faith Deposit to Sellers by wire transfer of immediately available funds to an account designated in writing by Sellers, and Sellers agree to credit the Good Faith Deposit so received by them against the Purchase Price as set forth in Section 2.5 of the Purchase Agreement. Purchaser shall use reasonable best efforts to give Escrow Agent two (2) Business Days prior written notice of the Funding Date to enable Escrow Agent to comply herewith.
- (ii) Purchaser may deliver a written notice to Escrow Agent and Sellers (a “Purchaser Certificate of Instruction”) stating that the Purchase Agreement has been terminated by Purchaser pursuant to Section 8.1 (other than Section 8.1(d)) of the Purchase Agreement. If Escrow Agent does not receive from Sellers a written notice objecting to the release of the Good Faith Deposit to Purchaser (a “Sellers Objection Notice”) within ten (10) Business Days after Seller’s receipt (as determined in accordance with Section V) of the Purchaser Certificate of Instruction, then Escrow Agent shall deliver to Purchaser the Good Faith Deposit then held by Escrow Agent pursuant to this Agreement. Purchaser shall provide to Escrow Agent evidence of Seller’s receipt of the Purchaser Certificate of Instruction, evidencing the date of such receipt. In the event that a Sellers Objection Notice is received by Escrow Agent within such ten (10) Business Day period, the provisions of Section III(a)(v) shall apply. Sellers shall send Purchaser a copy of any Sellers Objection Notice delivered to Escrow Agent.
- (iii) Sellers may deliver a written notice to Escrow Agent and Purchaser (a “Sellers Certificate of Instruction”) stating that the Purchase Agreement has been terminated by Sellers pursuant to Section 8.1(d) of the Purchase Agreement. If Escrow Agent does not receive written notice from Purchaser objecting to the release of the Good Faith Deposit to Sellers (a “Purchaser Objection Notice”) within ten (10) Business Days after Purchaser’s receipt (as determined in accordance with Section V) of the Sellers Certificate of Instruction, Escrow Agent shall deliver to Sellers the Good Faith Deposit then held by Escrow Agent pursuant to this Agreement. Sellers shall provide to Escrow Agent evidence of Purchaser’s receipt of the Sellers Certificate of Instruction, evidencing the date of such receipt. In the event that a Purchaser Objection Notice is received by Escrow Agent within such ten (10) Business Day period, the provisions of Section III(a)(v) of this Agreement shall apply. Purchaser shall send Sellers a copy of any Purchaser Objection Notice delivered to Escrow Agent.
- (iv) Upon receipt by the Escrow Agent of joint written instructions from Sellers and Purchaser (a “Joint Certificate of Instruction”), Escrow Agent shall deliver the Good Faith Deposit in accordance with such instructions by wire transfer of immediately available funds to such account or accounts as are designated in such instructions.
- (v) In the event of a dispute between Sellers and Purchaser as to their respective rights to the Good Faith Deposit, Escrow Agent shall continue

to hold the Good Faith Deposit until otherwise directed by either (i) a Joint Certificate of Instruction or (ii) a final and non-appealable order of the Bankruptcy Court binding on Escrow Agent which has not been stayed or vacated before disbursement of the Good Faith Deposit; provided, however, that notwithstanding the foregoing, Escrow Agent shall have the right in the event of such a dispute to deposit the Good Faith Deposit with the Clerk of the Bankruptcy Court or any federal or state court then having jurisdiction over an interpleader action with respect to the Good Faith Deposit. Escrow Agent shall give written notice of any such deposit to Sellers and Purchaser. Upon such deposit or other disbursement in accordance with the provisions of this Section III(a)(v), Escrow Agent shall be relieved and discharged of all further obligations with respect to the Good Faith Deposit.

- (b) Working Capital Escrow Consideration. Upon receipt by the Escrow Agent from Sellers of a written instruction authorizing the disbursement of any or all of the Working Capital Escrow Consideration, Escrow Agent shall, within one (1) Business Day of receipt of such instruction, disburse all or such portion of the Working Capital Escrow Consideration in accordance with such instruction by wire transfer of immediately available funds to such account or accounts as are designated in such instruction; provided, that Sellers shall be required to deliver a copy of such written instruction to Purchaser and the Escrow Agent shall not disburse funds pursuant to the Sellers' written instruction unless Sellers shall provide to Escrow Agent evidence of Purchaser's receipt of a copy of such written instruction.

- (c) Cure Funds.

- (i) Upon receipt by the Escrow Agent of a joint written instruction from Sellers and Purchaser certifying as to the effectiveness of a plan of reorganization of Sellers and authorizing the disbursement of a Cure Amount in respect of a Designated Contract, Escrow Agent shall disburse all or such portion of the Cure Funds in accordance with such instruction by wire transfer of immediately available funds to such account or accounts as are designated in such instruction.
- (ii) Notwithstanding the foregoing, on December 31, 2011, Escrow Agent shall disburse all of the Cure Funds remaining in the Escrow Account to Sellers, by wire transfer of immediately available funds to an account or accounts as are designated in writing by Sellers.

- (d) Court Order. In the event Escrow Agent is directed by a final and non-appealable order of the Bankruptcy Court binding on Escrow Agent which has not been stayed or vacated before disbursement of all of the Escrow Funds to release all or a portion of the Escrow Funds, Escrow Agent shall promptly disburse all or such portion of the Escrow Funds in accordance with such Bankruptcy Court order. ~~Upon disbursement of all of the Escrow Funds in accordance with the provisions of this Section III(d), Escrow Agent shall be relieved and discharged of all further obligations with respect to the Escrow Funds and all further obligations and liability to the parties hereto with respect to its obligations under this Agreement, provided that the foregoing shall not apply to liability of Escrow Agent for acts or omissions of Escrow Agent prior to such deposit or disbursement.~~

IV. Authority of Escrow Agent and Limitation of Liability.

(a) In acting hereunder, Escrow Agent shall have only such duties as are specified herein and no implied duties shall be read into this Agreement, and Escrow Agent shall not be liable for any act done, or omitted to be done, by it in the absence of its gross negligence or willful misconduct. Escrow Agent shall not be charged with knowledge or notice of any fact, order, agreement or circumstance not specifically set forth herein including without limitation the terms of the Purchase Agreement.

(b) Escrow Agent may act in reliance upon any writing or instrument or signature which it, in good faith, believes to be genuine, and may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so.

(c) Escrow Agent shall be entitled to consult with legal counsel in the event that a question or dispute arises with regard to the construction of any of the provisions hereof, and, in the absence of its gross negligence or willful misconduct, shall incur no liability and shall be fully protected in acting in accordance with the advice or opinion of such counsel.

(d) Escrow Agent shall not be required to use its own funds in the performance of any of its obligations or duties or the exercise of any of its rights or powers, and shall not be required to take any action which, in Escrow Agent's sole and absolute judgment, could involve expense or liability unless furnished with security and indemnity which it deems, in its sole and absolute discretion, to be satisfactory. Notwithstanding anything in this Agreement to the contrary, in no event shall the Escrow Agent be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Escrow Agent has been advised of such loss or damage and regardless of the form of action. Nothing in this Section IV(d) is meant to limit the terms in Section IV(e) below.

(e) Sellers shall, jointly and severally, pay to Escrow Agent compensation for its services hereunder together with such other applicable transaction fees, in each case, as set forth on the Fee Schedule annexed hereto as Exhibit A. Sellers also agree, jointly and severally, to pay the reasonable attorney's fees, disbursements and expenses of Escrow Agent in connection with this Agreement, which shall be due and payable contemporaneous with the deposit of the Good Faith Deposit, and from time to time thereafter as incurred and upon written invoice. Escrow Agent's attorney's fees, disbursements and expenses shall be payable whether or not the transactions contemplated hereby occur. The terms of this paragraph shall survive termination of this Agreement.

(f) The Purchaser and Sellers hereby agree, jointly and severally, to indemnify Escrow Agent, its directors, officers, employees and agents (collectively, the "Indemnified Parties"), and hold the Indemnified Parties harmless from any and against all liabilities, losses, actions, suits or proceedings at law or in equity, and any other expenses, fees or charges of any character or nature, including, without limitation, reasonable attorney's fees, disbursements and expenses, which an Indemnified Party may incur or with which it may be threatened by reason of acting as or on behalf of Escrow Agent under this Agreement or arising out of the existence of the Escrow Account, except to the extent the same shall be caused by Escrow Agent's gross negligence or willful misconduct. Escrow Agent may retain counsel of its choice to participate in the defense of any indemnified claims, at the expense of Sellers and Sellers shall not settle or otherwise resolve any indemnified claim without an unconditional release in favor of Escrow Agent in form, scope and substance satisfactory to Escrow Agent. The terms of this paragraph shall survive termination of this Agreement.

(g) In the event Escrow Agent receives conflicting instructions hereunder, Escrow Agent shall be fully protected in refraining from acting until such conflict is resolved to the satisfaction of Escrow Agent.

(h) Escrow Agent may resign as Escrow Agent, and, upon its resignation, shall thereupon be discharged from any and all further duties and obligations under this Agreement by giving notice in writing of such resignation to the Purchaser and Sellers, which notice shall specify a date upon which such resignation shall take effect. Upon the resignation of Escrow Agent, Sellers and Purchaser shall, within thirty (30) Business Days after receiving the foregoing notice from Escrow Agent, designate a substitute escrow agent (the “Substitute Escrow Agent”), which Substitute Escrow Agent shall, upon its designation and notice of such designation to Escrow Agent, succeed to all of the rights, duties and obligations of Escrow Agent hereunder. In the event Sellers and Purchaser shall not have delivered to Escrow Agent a written designation of Substitute Escrow Agent within the aforementioned thirty (30) Business Day period, together with the consent to such designation by the Substitute Escrow Agent, Escrow Agent may apply to the Bankruptcy Court to appoint a Substitute Escrow Agent, and the costs of obtaining such appointment shall be reimbursable from Sellers and from the Escrow Funds. Upon the delivery of the funds in the Escrow Account to a Substitute Escrow Agent, Escrow Agent shall be relieved of all liability hereunder, provided that the foregoing shall not apply to any liability of Escrow Agent for acts or omissions of Escrow Agent prior to such delivery of funds.

(i) Escrow Agent shall not be required to defend any legal proceeding that may be instituted by a third party against it in its capacity as Escrow Agent under this Agreement. If any such legal proceeding is instituted against it, Escrow Agent agrees to give prompt notice of such proceedings to the other parties hereto. Escrow Agent shall not be required to institute legal proceedings of any kind.

(j) Escrow Agent’s sole duty with respect to the custody, safekeeping and physical preservation of the Escrow Account shall be to deal with such Escrow Account in accordance with this Agreement and in the same manner as Escrow Agent deals with similar property for its own account. Escrow Agent shall not be responsible in any manner for the validity or sufficiency of this Agreement or of any property delivered hereunder, or for the value or collectability of any note, check or other instrument, if any, so delivered, or for any representations made or obligations assumed by any party other than Escrow Agent. Nothing herein contained shall be deemed to obligate Escrow Agent to deliver any cash, instruments, documents or any other property referred to herein, unless the same shall have first been received by Escrow Agent pursuant to this Agreement or shall have been earned as a result of investments made by Escrow Agent in accordance with provisions of this Agreement.

(k) Escrow Agent and the Indemnified Parties shall have the right to offset the amount of any compensation or reimbursement due any of them hereunder (including any claim for indemnification pursuant to Section III(f) hereof) against the Escrow Funds. If for any reason the Escrow Funds available to Escrow Agent and the Indemnified Parties pursuant to such right of offset are insufficient to cover such compensation and reimbursement, Purchaser and Sellers shall promptly pay such amounts to Escrow Agent and the Indemnified Parties upon receipt of an itemized invoice.

VI. Amendment.

This Escrow Agreement may not be amended, modified, supplemented or otherwise altered except by an instrument in writing signed by each of the parties hereto.

VII. Termination.

This Agreement will terminate upon the disbursement of all Escrow Funds in the Escrow Account, as provided above, by Escrow Agent.

VIII. Tax Reporting.

The parties hereto, other than Escrow Agent, agree that for tax reporting purposes all interest and other income earned from the investment of (i) the Good Faith Deposit in any tax year shall be allocated to Purchaser (the "Purchaser Taxable Income") and (ii) the Working Capital Escrow Consideration and the Cure Funds in any tax year shall be allocated to Sellers (the "Sellers' Taxable Income"). As applicable, on or prior to execution of this Escrow Agreement, Sellers and Purchaser shall provide Escrow Agent with their respective certified tax identification numbers ("TIN") on an executed Internal Revenue Service ("IRS") Form W-9 or other applicable IRS Form. Sellers agree to report the Sellers' Taxable Income and Purchaser agrees to report the Purchaser Taxable Income allocable to them on their respective federal and other applicable tax returns. Sellers and Purchaser acknowledge and agree that in the event their respective TIN is not certified to Escrow Agent, and/or if Seller or Purchaser does not make all certifications set forth in their respective IRS Form W-9 or other applicable IRS Form, applicable tax laws may require withholding of a portion of any income earned with respect to amounts in the Escrow Account that are allocable to it.

IX. Anti-Terrorism/Anti-Money Laundering Laws.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT
- To help the United States government fight the funding of terrorism or money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens a new account. What this means for the parties to this Agreement: Escrow Agent will ask for your name, address, date of birth, and other information that will allow Escrow Agent to identify you (e.g., your social security number or tax identification number.). Escrow Agent may also ask to see financial statements, your driver's license or other identifying documents (e.g., passport, evidence of formation of corporation, limited liability company, limited partnership, etc., certificate of good standing-) and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

Each party to this Agreement hereby agrees to provide Escrow Agent, prior to the establishment of the Escrow Account, with the information identified above pertaining to it by completing the form attached as Exhibit B and returning it to Escrow Agent. Exhibit B includes one form for individuals and another form for entities.

X. Governing Law.

This Agreement shall be governed by and construed in accordance with the laws of the State of New York in all respects without giving effect to the conflicts of laws principles thereof.

XI. Submission to Jurisdiction; No Jury Trial.

With respect to any action, complaint, claim, charge, suit, litigation, or proceeding ("Action") arising out of or relating to this Agreement, each of the parties hereby irrevocably:

(a) consents to the exclusive jurisdiction of the Bankruptcy Court as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement. After Sellers are no longer subject to the jurisdiction of the Bankruptcy Court, each of the parties irrevocably submits to the exclusive jurisdiction of the courts of the State of New York and of the United States of America, in each case located in Manhattan ("Selected Courts"), for any Action arising out of or relating to this Agreement and the transactions contemplated hereby and thereby (and agrees not to commence any Action relating hereto or thereto except in such courts) and waives any objection to venue being laid in the Selected Courts whether based on the grounds of forum non conveniens or otherwise;

(b) consents to service of process in any Action by the mailing of copies thereof by registered or certified mail, postage prepaid, or by recognized international express carrier or delivery service, to Sellers, Purchaser or Escrow Agent at their respective address set forth in Section V; provided, however, that nothing herein shall affect the right of any party hereto to serve process in any other manner permitted by law; and

(c) WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE OTHER TRANSACTION DOCUMENTS.

XII. Entire Agreement.

This Agreement constitutes the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements relating to the subject matter hereof.

XIII. Delays or Omissions.

Except as expressly provided herein, no delay or omission to exercise any right, power or remedy accruing to each of the parties upon any breach or default of any party under this Agreement shall impair any such right, power or remedy of each of the parties nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein, or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of each of the parties of any breach or default under this Agreement, or any waiver on the part of any such party of any provisions or conditions of this Agreement, must be in writing and shall be

effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law, in equity, or otherwise afforded to each of the parties shall be cumulative and not alternative.

XIV. Severability.

In the event that any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provisions; provided that no such severability shall be effective if it materially changes the economic benefit of this Agreement to any party. Any provision held invalid or unenforceable only in part or degree will remain in full force to the extent not held invalid or unenforceable.

XV. Successors and Assigns.

Except as otherwise provided herein, the provisions hereof shall inure to the benefit of, and be binding upon, the successors by operation of law and permitted assigns of the parties hereto. To the extent the Transactions or any portion of the Transactions are not exempt from Transfer Taxes under section 1146 of the Bankruptcy Code, Purchaser shall be responsible for and shall pay all Transfer Taxes in accordance with Section 6.10(a). Purchaser and Sellers shall cooperate in providing each other with any appropriate certification and other similar documentation relating to exemption from Transfer Taxes (including any appropriate resale exemption certifications), as provided under Applicable Law.

(c) Purchaser and Sellers agree to furnish, or cause their Affiliates to furnish, to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets or the Business (including access to books and records) as is reasonably necessary for the filing of all Tax Returns, and making of any election related to Taxes, the preparation for any audit by any taxing authority, and the prosecution or defense of any claim, suit or proceeding relating to any Tax Return. Purchaser and Sellers shall cooperate, and cause their Affiliates to cooperate, with each other in the conduct of any audit or other proceeding related to Taxes and each shall execute and deliver such powers of attorney and other documents as are reasonably necessary to carry out the intent of this Section 6.10(c). Purchaser and Sellers shall provide, or cause their Affiliates to provide, timely notice to each other in writing of any pending or threatened tax audits, assessments or litigation with respect to the Acquired Assets or the Business for any taxable period for which the other party may have liability under this Agreement. All such prorations of Straddle Period Property Taxes shall be allocated so that items relating to time periods ending on or prior to the Closing Date shall be allocated to Sellers and items relating to time periods beginning after the Closing Date shall be allocated to Purchaser. The amount of all such prorations shall be settled and paid on the Closing Date. If any of the rates for the Straddle Period Property Taxes for any taxable period commencing on or prior to the Closing Date and ending after the Closing Date are not established by the Closing Date, the prorations shall be made on the basis of such rates in effect for the preceding taxable period. The apportioned obligations under this Section 6.10(d) shall be timely paid and all applicable filings made in the same manner as set forth for the apportioned Transfer Taxes in Section 6.10(a) and (b).

(e) The Canadian Sellers and Purchaser shall jointly execute an election, where such election is available, under Section 22 of the Income Tax Act and the corresponding sections of any other applicable provincial statute and any regulations under such statutes with respect to the sale, assignment, transfer and conveyance of the Accounts Receivable. The Canadian Sellers and Purchaser further agree to make jointly the necessary elections and execute and file, within the prescribed delays, the prescribed election forms and any other documents required to give effect to the foregoing and shall also prepare and file all of their respective Tax Returns in a manner consistent with the aforesaid allocations.

(g) ~~The~~ Canadian Sellers and Purchaser shall, where such election is available, jointly execute an election under Section 167 of the Excise Tax Act (Canada) and the corresponding provisions of any applicable provincial statute and any regulations under such statutes on the forms prescribed for such purposes along with any documentation necessary or desirable in order to effect the transfer of the Acquired Assets by Canadian Sellers without payment of any GST/HST or any other applicable provincial tax. Section 6.12 Prompt Payment of Cure Amounts; Prepayment of Designated Customer Contracts.

(a) With respect to each Designated Contract, Sellers shall deposit into the Escrow Account, as soon as practicable after the Funding Date, all amounts (the “Cure Amounts”) that (i) are required to be paid under section 365(b)(1)(A) or (b)(1)(B) of the Bankruptcy Code in order to assume and assign such contract, or (ii) are due pursuant to order of the Bankruptcy Court as a condition to assuming and assigning such Designated Contract; provided, however, that Cure Amounts that are the subject of a bona fide dispute shall be paid by Sellers within two (2) Business Days of the effectiveness of a settlement or order of the Bankruptcy Court, as the case may be, with respect thereto. Sellers shall, concurrently with the delivery of the statement referred to in the preceding sentence, pay over to Purchaser an amount equal to such prepayments.

Section 6.13 Completion of Nonassignable Designated Contracts.
Sellers shall use their reasonable best efforts to obtain any consent, approval or amendment, if any, required to novate and/or assign any Designated Contract to be assigned to Purchaser hereunder which the Bankruptcy Court determines is not able to be assumed and assigned under section 365(c) of the Bankruptcy Code (a “Nonassignable Designated Contract”). If any such consent has not been obtained or if any attempted assignment would be ineffective or would impair Purchaser's rights under the instrument in question so that Purchaser would not acquire the benefit of all such rights, then Sellers, to the maximum extent permitted by Applicable Law and the instrument, shall act as Purchaser's agent in order to obtain for Purchaser the benefits thereunder and shall cooperate, to the maximum extent permitted by Applicable Law and the instrument, with Purchaser in any other reasonable arrangement designed to provide such benefits to Purchaser; provided, however, that nothing contemplated by this Section 6.13 shall reduce the amount of the Purchase Price.

Sellers shall maintain insurance coverage substantially similar to Sellers' policies in effect as of the date hereof for the period from the date hereof until the Closing Date with respect to the Business and the Acquired Assets for events occurring, circumstances existing and Seller Liabilities accruing before the Closing Date. Following the Funding Date, Purchaser shall have the benefit of any unexpired portion of Sellers' insurance coverage, and Sellers will use commercially reasonable efforts to, on or prior to the Funding Date, cause Purchaser to be named as the insured party or loss payee under all insurance policies maintained by Sellers or Sold Companies relating to the Acquired Assets to the extent unexpired, and in the event any proceeds become payable under such unexpired insurance policies relating to occurrences or events after the Funding Date and are not paid to Purchaser, Sellers shall and shall cause the Sold Companies to hold such proceeds in trust for the benefit of Purchaser, and shall pay over such proceeds without any deduction to Purchaser promptly after receipt thereof. Parent hereby waives diligence, presentment, demand of performance, filing of any claim, any right to require any proceeding first against Purchaser, protest, notice and all demands whatsoever in connection with the performance of its obligations set forth in this Section 6.19.

Alternative Sale Procedures

These Procedures will be utilized by Sellers and Purchaser in the marketing for an Alternative Sale.

Purchaser and Sellers shall agree on the selection of an investment bank ("Investment Bank") to market the Alternative Sale. If Purchaser and Sellers are unable to agree, Purchaser shall provide Sellers with the names of at least two nationally recognized investment banks and Sellers shall select an investment bank from the list provided by Purchaser to market the Alternative Sale. The Investment Bank selected to market the Alternative Sale shall be directed to identify bona fide and potential Third Party purchasers for the Alternative Sale. All fees, expenses and indemnities due to the Investment Bank under its engagement letter shall be paid for by Purchaser to the extent that Purchaser reviews and approves in writing the engagement letter terms, it being understood that Sellers will not be required to engage an Investment Bank until Purchaser approves an engagement letter. In addition, and to the extent requested and prepaid by Purchaser, Sellers shall engage such other accountants, advisors and other professionals as may be necessary to market the Alternative Sale. For the avoidance of doubt, Sellers shall not be responsible for any costs associated with or incurred in connection with the Alternative Sale process, ~~other than as necessary to ensure that Sellers' business operates through and including []~~.

Sellers shall make themselves, their management team and their advisors available to the Investment Bank during the sale process and shall assist the Investment Bank by providing marketing materials and letters of representation in customary form subject to customary indemnities in favor of Sellers for liabilities they may incur in doing so, provided Purchaser reviews and approves in writing the marketing materials and marketing process. Sellers shall not be required to do any of the foregoing without receipt of such indemnity and reasonable compensation with regard thereto. For the avoidance of doubt, Purchaser hereby acknowledges and agrees that during the process of seeking an Alternative Sale, neither Sellers nor the Boards of Directors of any of the Sellers shall have any obligations, fiduciary or otherwise to Purchaser, other than as set forth in this Agreement.

At Purchaser's election, the Alternative Sale may include all or any portion of the Acquired Assets.

If a Plan for the Sellers is to be consummated during the process of seeking an Alternative Sale, then, ~~prior to the consummation of the Plan, the Sellers shall seek approval from the Bankruptcy Court to appoint a responsible officer reasonably satisfactory to Purchaser, with such appointment to become effective immediately following the consummation of the Plan, to exercise management authority in respect of the Seller entities that hold the Acquired Assets, FCC Licenses and the Industry Canada Licenses pending the closing of an Alternative Sale, provided, however, that in such instance~~ the Plan shall provide that the equity interests in the Sellers shall not be extinguished or cancelled until the closing of the Alternative Sale and control of the board of directors of the Seller entities that hold the FCC Licenses and the Industry Canada Licenses shall not be changed in a manner that would require FCC or Industry Canada approval or constitute a major amendment under applicable FCC or Industry Canada rules pending the closing of the Alternative Sale.

=

Notwithstanding anything to the contrary in this Exhibit B, at Purchaser's election, Purchaser may pursue an Alternative Sale and dispose of any of the Acquired Assets through any spectrum auction processes that may be established by the U.S. Congress or by the FCC.

BID PROCEDURES

Introduction

TerreStar Networks Inc. and certain of its subsidiaries and affiliates¹ (collectively, the “Debtors”) are debtors in possession in chapter 11 cases (jointly administered under Case No. 10-15446) pending in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”).

On [], 2011, the Bankruptcy Court entered its order (the “Bid Procedures Order”), authorizing the Debtors, among other things, to market substantially all of the assets of the Debtors (the “Assets”) through the bid procedures described herein (the “Bid Procedures”). The Debtors have entered into an agreement with DISH Network Corporation, (the “Proposed Purchaser”) for the sale of the Assets pursuant to the Proposed Purchaser’s bid (the “Stalking Horse Bid”) and related Purchase Agreement (“Purchase Agreement”), subject to the acceptance of any higher and better offer(s) submitted by the Proposed Purchaser or another Successful Bidder (as defined below) in accordance with the process described in these Bid Procedures. The Bankruptcy Court has scheduled a hearing (the “Sale Hearing”) to consider approval of the sale of the Assets to the Proposed Purchaser or another Successful Bidder, to be conducted on July 7, 2011 at 1:00 p.m. Eastern time, in Room [] at the United States Bankruptcy Court for the Southern District of New York, Alexander Hamilton U.S. Custom House, One Bowling Green, New York, New York, 10004-1408.

Key Dates For Potential Bidders

These Bid Procedures provide interested parties with the opportunity to qualify and participate in the auction of the Assets (the “Auction”) and submit competing bids for the Assets. The Debtors shall assist Potential Bidders (as defined below) in conducting their respective due diligence investigations and shall accept bids (as defined below) until 5:00 p.m., Eastern Time on [June 27], 2011.

The key dates for the sale process are as follows:

June 27, 2011, at 5:00 P.M. EDT	Bid Deadline - Due Date for Bids and Deposits
June 30, 2011, at 9:00 A.M. EDT	Auction

¹

The Debtors in these chapter 11 cases, along with the last four digits of each TSN Debtor’s federal taxpayer-identification number, are: TerreStar Networks Inc. (3931); TerreStar License Inc. (6537); TerreStar National Services Inc. (6319); TerreStar Networks Holdings (Canada) Inc. (1337); TerreStar Networks (Canada) Inc. (8766); and 0887729 B.C. Ltd. (1345).

Purchase Agreement

A true and correct copy of the Purchase Agreement setting forth the Stalking Horse Bid is attached as **Schedule 1** hereto. Pursuant to the Purchase Agreement, and to the maximum extent permitted by section 363 of title 11 of the United States Code (the “Bankruptcy Code”), the Proposed Purchaser proposes to acquire, free and clear of any and all Interests (as defined below), the Assets, as more fully set forth in Section 2.1 of the Purchase Agreement (the “Acquired Assets”), excluding only those certain assets expressly identified as Retained Assets under Section 2.2 of the Purchase Agreement.

Bid Procedures

Set forth below are the Bid Procedures to be employed with respect to the proposed sale of the Assets (the “Proposed Sale”). The Bid Procedures provide for the Proposed Sale to such Qualified Bidder(s) (as defined below) as is determined to have made the highest or otherwise best offer for some or all of the Assets. Any person or entity who wishes to participate in the Bidding Process (as defined below) and the Proposed Sale must meet the participation requirements to become a Potential Bidder as specified below and must thereafter timely submit a Qualified Bid (as defined below) to become a Qualified Bidder. Neither the Debtors nor their representatives shall be obligated to furnish information of any kind whatsoever to any person or entity that is not a Potential Bidder (or their legal counsel and financial advisors) and the Debtors and their representatives shall use good faith efforts to provide all Potential Bidders with substantially similar access and information. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement.

The Debtors and their representatives, in consultation with the statutory committee of unsecured creditors (the “Creditors’ Committee”), shall (i) receive and evaluate all offers made hereunder, (ii) determine whether any person or entity has met the participation requirements to become a Potential Bidder and has timely submitted a Qualified Bid so as to become a Qualified Bidder, (iii) coordinate the efforts of Potential Bidders in conducting any required due diligence investigations and (iv) negotiate in good faith with respect to any Qualified Bids (collectively, the “Bidding Process”).

Participation Requirements

Any person or entity that wishes to conduct due diligence with respect to the Assets must first deliver to the Debtors and the Creditors’ Committee an executed confidentiality agreement in form and substance reasonably satisfactory to the Debtors (a form of which is attached hereto as **Schedule 2**) (it being understood that any person or entity who previously signed a confidentiality agreement in a form satisfactory to the Debtors shall not be required to execute a new confidentiality agreement). The executed confidentiality agreement must be signed and transmitted by the person or entity wishing to become a Potential Bidder so as to be received by

each of the following parties (the “Notice Parties”) prior to any dissemination of confidential information: (i) The Blackstone Group, 345 Park Avenue, New York, NY 10154 (Attn: Tom Middleton; middleton@blackstone.com and Daniel Chang; changd@blackstone.com), financial advisors to the Debtors; (ii) Akin Gump Strauss Hauer & Feld LLP, One Bryant Park, New York, NY 10036-6745 (Attn: Ira S. Dizengoff, Esq.; idizengoff@akingump.com and Arik Y. Preis, Esq.; apreis@akingump.com), counsel to the Debtors; (iii) FTI Consulting, Inc. 3 Times Square # 9, New York, NY 10036 (Attn: Andrew Scruton; Andrew.scruton@fticonsulting.com), financial advisors to the Creditors’ Committee; and (iv) Otterbourg, Steindler, Houston & Rosen, P.C., 230 Park Avenue, New York, NY 10169-0075 (Attn: Scott L. Hazan, Esq.; shazan@oshr.com and David M. Posner, Esq.; dposner@oshr.com), counsel to the Creditors’ Committee.

A “Potential Bidder” is a person or entity that the Debtors determine, in consultation with the Creditors’ Committee, is reasonably likely (based on relevant considerations as determined in good faith by the Debtors in consultation with the Creditors’ Committee) to: (a) submit a *bona fide* offer; and (b) be able to consummate the Proposed Sale if selected as a Successful Bidder or Back-Up Bidder (as defined below).

Due Diligence

The Debtors may afford each Potential Bidder the time and opportunity to conduct reasonable due diligence; provided, however, that neither the Debtors nor any of their representatives shall be obligated to furnish any due diligence information: (i) at any time to any person or entity other than a Potential Bidder; or (ii) after the Bid Deadline (as defined below) to any Potential Bidder. The Debtors may, in the exercise of their business judgment, extend a Qualified Bidder’s time to conduct due diligence after the Bid Deadline until the Auction; *provided, however*, that the Successful Bidder and Back-Up Bidder shall be permitted to continue to conduct due diligence until closing of the sale (subject to the terms of the Purchase Agreement); *provided, further, however*, that a Qualified Bid shall not be subject to further due diligence after the Bid Deadline.

Bid Deadline

The deadline for a Potential Bidder to submit bids shall be **June 27, 2011 at 5:00 p.m. (prevailing Eastern Time)** (the “Bid Deadline”). Any Potential Bidder who fails to submit a bid so as to be received by the Notice Parties (as defined below) in advance of the Bid Deadline will not be a Qualified Bidder and shall not be permitted to participate in the Bidding Process or the Auction.

Prior to the Bid Deadline, a Potential Bidder that desires to make a bid shall deliver written copies of its bid in writing and executed by an individual or individuals authorized to bind the Potential Bidder. Each bid shall be served by courier, facsimile, e-mail or as otherwise specified by the Debtors to each of the Notice Parties.

Bid Requirements

To participate in the Auction, a bidder (other than the Proposed Purchaser) must be a Potential Bidder and must deliver a written offer, which includes, at a minimum, the following items (the “Required Bid Materials”) prior to the Bid Deadline:

- Two executed originals of the purchase agreement and other documents by which the Potential Bidder offers to purchase the Assets that are the subject of the bid from the Debtors at the purchase price and upon the terms and conditions as the Potential Bidder sets forth therein, which documents should be in substantially the form of the Purchase Agreement, and any ancillary agreements, together with a marked copy showing any proposed changes, amendments or modifications to the Purchase Agreement (and exhibits) attached as **Schedule 1** hereto.
- A written acknowledgment that the bid is not subject to any due diligence or financing contingency, is not conditioned on the payment in any circumstances of a break-up fee, expense reimbursement or similar type of payment to the bidder, is irrevocable until entry by the Bankruptcy Court of the order approving the Proposed Sale (the “Sale Order”) (unless it is chosen as the Successful Bid or Back-Up Bid (each as defined below)) and is not subject to any approvals, consents or conditions except as specified therein.
- A written acknowledgement by the bidder that it agrees to all of the terms for sale set forth in these Bid Procedures.
- Specification of the proposed purchase price and of the Assets that are the subject of the bid.²
- Delivery by certified check or wire transfer of a good faith deposit (the “Deposit”) in immediately available funds equal to \$68.75 million, which is 5% of the purchase price proposed by the Proposed Purchaser. The Deposit shall be held in escrow and will be refunded on the terms set forth below.
- Evidence or a statement indicating that the bidder has obtained authorization and approval from its Board of Directors (or comparable governing body) with respect to the submission and consummation of its bid and acceptance of the terms of sale in these Bid Procedures, or a representation that no such authorization or approval

²

The Debtors have no assurance that their current DIP Lender will continue to provide DIP Financing after the maturity of the current DIP Financing facility (*i.e.*, July 19, 2011). As such, and to the extent that the current DIP Lender does not extend both additional financing as well as the maturity of the Debtors’ current DIP Financing, any Potential Bidder will need to provide the Debtors with (or otherwise include in its Required Bid Materials) DIP financing necessary to fund the Debtors’ chapter 11 cases, their foreign recognition proceedings commenced in Canada, and operations through and until the closing date or, if sooner, the funding date of any sale contemplated by these Bid Procedures.

is required and that any and all initial consents required in connection with the submission and consummation of the bid have been obtained and that no other initial consents are required.

- Evidence of sufficient cash or other acceptable forms of currency on hand or written evidence of a commitment for financing or other evidence of the ability to consummate the sale satisfactory to the Debtors with appropriate contact (and any other necessary) information for such financing sources.
- A list of the Debtors' executory contracts and unexpired leases with respect to which the bidder seeks assignment from the Debtors and a specification of what the bidder believes to be the appropriate cure amounts and which cure amounts will be the bidder's responsibility and which will be the Debtors' responsibility. For the avoidance of doubt, this information will be included on the notice sent to all assumed contract counterparties (without discussing the name of the bidder) prior to the Auction, as set forth in more detail herein.
- A written disclosure of the identity of each person or entity that is bidding for the Assets or otherwise participating in connection with such bid and whether such person or entity holds an interest in another mobile satellite service provider and, if so, the name of the mobile satellite service provider and the nature and size of the interest, *provided, that* the Debtors will keep such information confidential and will not disclose such information without the written consent of the Potential Bidder. Further, each bid must provide sufficient information regarding both the bidder and any participants (and each of their ultimate controlling persons if any), to satisfy the Debtors with respect to the requirements enumerated in section 363(n) of the Bankruptcy Code and to permit the Debtors to ascertain whether a petition for declaratory ruling to permit indirect foreign ownership of TerreStar License Inc. in excess of 25% must be filed with the FCC.
- Such other information as may be reasonably requested in writing by the Debtors at least two calendar days prior to the Bid Deadline.

In order to be a Qualified Bid, a bid (including all Required Bid Materials) must:

- be received by the Bid Deadline;
- be on terms that the Debtors determine, in consultation with the Creditors' Committee, are no less favorable in the aggregate to the Debtors than the terms of the Purchase Agreement;
- not be subject to any due diligence or financing contingency; and
- not request or entitle the bidder to any break-up fee, expense reimbursement or similar type of payment.

A bid received from a Potential Bidder that includes all of the Required Bid Materials and meets all of the above requirements is a “Qualified Bid” if the Debtors, in consultation with the Creditors’ Committee, determine that such bid evidences a *bona fide* interest and ability on the part of the Potential Bidder to (i) purchase the Assets or any material portion thereof, and (ii) provide or procure adequate postpetition financing for the Debtors. A Potential Bidder that submits a Qualified Bid (a “Qualified Bidder”) shall be entitled to participate in the Auction. The Debtors reserve the right to contact bidders before or after the Bid Deadline to discuss or clarify the terms of their bid and to indicate any terms which may need to be modified in order to conform the bid to a Qualified Bid or otherwise evaluate the bid.

The Debtors, in consultation with the Creditors’ Committee, may accept a single Qualified Bid or multiple bids for non-overlapping material portions of the Assets such that, if taken together in the aggregate, would otherwise meet the standards for a single Qualified Bid. The Debtors, in consultation with the Creditors’ Committee, may also permit otherwise Qualified Bidders who submitted bids by the Bid Deadline for a material portion of the Assets but who were not identified as a component of a single Qualified Bid consisting of multiple bids, to participate in the Auction and to submit higher or otherwise better bids that in subsequent rounds of bidding may be considered, together with other bids for non-overlapping material portions of the Assets, as part of such a single Qualifying Bid.

Proposed Purchaser is a Qualified Bidder

The Proposed Purchaser is a Qualified Bidder, and the Purchase Agreement is a Qualified Bid. The Proposed Purchaser shall not be required to take any further action in order to participate in the Auction or, if the Proposed Purchaser’s bid is the Successful Bid (as defined below), to be named the Successful Bidder at the Sale Hearing (as defined below).

Necessity of an Initial Incremental Qualified Bid

If no Initial Incremental Qualified Bid (as defined below) is received by the Debtors prior to the Bid Deadline, no Auction will take place and the Debtors shall request the Bankruptcy Court to approve the Proposed Sale to the Proposed Purchaser at the Sale Hearing. If but only if an Initial Incremental Qualified Bid is received by the Debtors prior to the Bid Deadline, the Debtors shall conduct the auction with respect to the Assets. For purposes of these Bid Procedures, an “Initial Incremental Qualified Bid” shall mean (a) a single Qualified Bid for substantially all of the Assets or (b) collectively, two or more Qualified Bids for Assets that do not overlap but that together are for substantially all of the Assets, and that in the case of either (a) or (b) amount to a single Qualified Bid to acquire substantially all of the Assets in exchange for value to the Debtors’ estates, which the Debtors in their reasonable business judgment determine is at least equal to or greater than \$1,430,500,000 which is the sum of: (i) the Purchase Price of \$1,375,000,000 set forth in the Agreement, (ii) \$3,000,000, the maximum amount of the Expense Reimbursement, (iii) \$27,500,000 the amount of the Break-Up Fee, and; (iv) \$25,000,000, which Initial Incremental Qualified Bid shall be payable in cash or equity securities freely tradable on a nationally recognized securities exchange; provided, however, that the Debtors, in consultation with the Creditors’ Committee, reserve the right to accept a bid that

includes consideration in the form of an agreement to forgive secured debt as an Initial Incremental Qualified Bid, so long as such bid satisfies all of the requirements of an Initial Incremental Qualified Bid other than the requirement that the bid be payable in cash or equity securities freely tradable on a nationally recognized securities exchange. The Debtors, in consultation with the Creditors' Committee, will state the value and methodology for valuation of any such bid on the record of the auction. The Initial Incremental Qualified Bid selected by the Debtors, in consultation with the Creditors' Committee, as the highest or otherwise best bid following the Bid Deadline and prior to the start of the Auction shall be provided to all other Qualified Bidders (including to the Proposed Purchaser) at least 24 hours prior to the start of the Auction (the "Opening Bid"). For the avoidance of doubt, only Qualified Bidders who submit an Initial Incremental Qualified Bid (or a Qualified Bid that, when combined with one or more other Qualified Bids, constitutes an Initial Incremental Qualified Bid) shall be permitted to participate in the Auction.

Notwithstanding anything contained herein to the contrary, the holders of loans (collectively, the "PMCA Lenders") and the Collateral Agent (defined below) under that certain Purchase Money Credit Agreement (the "PMCA"), dated as of February 5, 2008, as amended from time to time, among TerreStar Networks Inc. as borrower, U.S. Bank National Association as collateral agent (the "PMCA Collateral Agent"), and the lenders party thereto, shall, subject to execution of a confidentiality agreement in form and substance satisfactory to the Debtors, be deemed Qualified Bidders for purposes of submitting a credit bid on the Collateral (as such term is defined in the PMCA and the related Security Agreement between TerreStar Networks Inc. and U.S. Bank National Association) securing the loans advanced under the PMCA, and the PMCA Lenders and the PMCA Collateral Agent each retain the right to make a credit bid for the Collateral at any point during the Auction.

Conduct Of The Auction, If Any

If and only if one or more Initial Incremental Qualified Bids are received by the Debtors prior to the Bid Deadline, the Auction shall take place at the offices of Akin Gump Strauss Hauer & Feld LLP, One Bryant Park, New York, NY 10036-6745 and shall commence on **June 30, 2011 at 9:00 a.m. (prevailing Eastern time)**; *provided, however*, that the Debtors shall have the right, in consultation with the Creditors' Committee, to adjourn or cancel the Auction at any time by delivering notice of such adjournment or cancellation to all Qualified Bidders; *provided, further*, that the Debtors shall have the right to conduct any number of Auctions on such date to accommodate Qualified Bids for certain, but less than all, of the Assets if the Debtors determine, in consultation with the Creditors' Committee, that such process would be in the best interest of the Debtors' estates. The Debtors shall confirm to all Qualified Bidders the time and place of the Auction.

Only a Qualified Bidder who is designated as such by the Debtors, in consultation with the Creditors' Committee, is eligible to participate at the Auction. During the Auction, bidding shall begin initially with the Opening Bid and subsequently continue with minimum increments of at least \$10 million.

The Auction shall be governed by the following procedures, which procedures shall be subject to modification by the Debtors as the Debtors, in consultation with the Creditors' Committee, deem necessary to better promote the goals of the Auction and to comply with their fiduciary obligations:

- (a) The Proposed Purchaser and the other Qualified Bidders shall appear in person at the Auction, or through a duly authorized representative.
- (b) Only representatives of (i) the Debtors, (ii) the Proposed Purchaser, (iii) other Qualified Bidders, (iv) the administrative agent for the Debtors' currently outstanding DIP Facility (to the extent such representative has executed a confidentiality agreement in form and substance satisfactory to the Debtors), (v) the indenture trustee for, any holder of, or any representative of the Ad Hoc Group (in the case of any such trustee, holder or representative, to the extent such trustee, holder, or representative has executed a confidentiality agreement in form and substance satisfactory to the Debtors), (vi) any PMCA Lender and the PMCA Collateral Agent (to the extent such PMCA Lender or PMCA Collateral Agent has executed a confidentiality agreement in form and substance satisfactory to the Debtors), (vii) K&L Gates LLP, as counsel to Sprint Nextel Corporation; (viii) Deloitte & Touche Inc., in its capacity as information officer in the foreign recognition proceedings commenced in Canada, and its counsel Bennett Jones LLP; and (ix) the Creditors' Committee shall be permitted to be present at the Auction. For the avoidance of doubt, although these parties shall be permitted to be present at the Auction, only Qualified Bidders may bid at the Auction.
- (c) The terms of each Qualified Bid selected from time to time by the Debtors, in consultation with the Creditors' Committee, as being the highest or otherwise best offer at any such time (each such Qualified Bid selected at any time, the "Leading Bid" at such time) shall be fully disclosed to all other Qualified Bidders. For the avoidance of doubt, each Leading Bid and each bid identified as being the highest or otherwise best offer for any or all of the Assets at any time shall have no conditions other than those disclosed.
- (d) The Auction shall commence with the Debtors confirming the particulars of the Opening Bid and asking for higher and better offers. The Auction shall continue with subsequent rounds of bidding and, after each round, the Debtors shall announce the Leading Bid.
- (e) The Debtors shall provide for a court reporter to be present at and prepare a transcript of the Auction. The Debtors may determine, in their discretion, to make all or any part of the transcript subject to confidentiality requirements and seal.
- (f) Each Qualified Bidder (including the Proposed Purchaser) shall be required to confirm that it has not engaged in any collusion with respect to the bidding or the Proposed Sale.

- (g) The Debtors, acting in good faith and in the exercise of their fiduciary duties to maximize value to the Debtors' estates, may combine Qualified Bids (including the Stalking Horse Bid) as a Leading Bid or as the Successful Bid if such Qualified Bids, taken together, constitute a sale of all or substantially all of the Assets without overlap with a value to the Debtors' estates, which the Debtors in their reasonable business judgment determine is, as so combined, an Initial Incremental Qualified Bid.
- (h) Bidding shall commence at the amount of the Opening Bid, as determined by the Debtors in consultation with the Creditors' Committee. Qualified Bidders may then submit successive bids higher than the previous bid in increments of no less than \$10 million. The Debtors reserve the right, in consultation with the Creditors' Committee, to announce reductions or increases in minimum incremental bids (or in valuing such bids) at any time during the Auction.
- (i) The Proposed Purchaser shall have the right to include the allowable amount of the Break-Up Fee and Expense Reimbursement in the amount of any subsequent bid that it makes in the Auction and, in the event the Proposed Purchaser is the Successful Bidder at the Auction, the Proposed Purchaser shall be entitled to credit the allowable amount of the Break-Up Fee and Expense Reimbursement against the purchase price ultimately payable by the Proposed Purchaser.
- (j) All Qualified Bidders shall have the right to submit additional bids and make additional modifications to the Purchase Agreement or their respective modified purchase agreements, as applicable, at the Auction to improve such bids.
- (k) The Auction may include individual negotiations with the Qualified Bidders and/or open bidding in the presence of all other Qualified Bidders.
- (l) The Debtors reserve the right, in consultation with the Creditors' Committee, to (i) determine, in their reasonable discretion which bid is the highest or otherwise best, and (ii) reject at any time, without liability, any offer, other than the Stalking Horse Bid, that the Debtors, in their reasonable discretion deem to be (1) inadequate or insufficient, (2) not in conformity with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules or procedures set forth therein or in the Bid Procedures Order, or (3) contrary to the best interests of the Debtors and their estates.
- (m) The Auction shall continue until there is only one bid (or more than one bid for non-overlapping portions of the Assets that collectively constitute substantially all of the Assets) that the Debtors determine, in consultation with the Creditors' Committee, and subject to Bankruptcy Court approval, is the highest or otherwise best offer or offers that together constitute the highest or otherwise best offer or offers for the Assets from among the Qualified Bidders (including the Proposed Purchaser) submitted at the Auction (the "Successful Bid"). In determining the

Successful Bid, the Debtors, in consultation with the Creditors' Committee, in the exercise of the Debtors' business judgment, shall consider, without limitation, the amount of the purchase price, the form of consideration being offered (i.e. although the Debtors will consider all forms of consideration, the Debtors prefer cash to all other types of consideration), the Qualified Bidders' ability to complete the transaction constituting the Successful Bid (including without limitation, the ability to obtain any required regulatory approvals or consents or the lack thereof), the proposed timing thereof, the contracts being assumed by the bidder,³ the rights of such Qualified Bidder and the Debtors with respect to the termination thereof, the number, type and nature of any changes reflected in the purchase agreement requested by each Qualified Bidder, and the net benefit to the Debtors' estates. The Qualified Bidder(s) submitting such Successful Bid(s) for the Assets shall become the "Successful Bidder(s)," and shall have such rights and responsibilities of a purchaser, as set forth in the definitive purchase agreement with the Successful Bidder. The next highest or otherwise best bid will be the "Back-Up Bid" and the maker of the bid will be the "Back-Up Bidder." Within two (2) days after conclusion of the Auction, the Successful Bidder, the Back-Up Bidder and the Debtors shall complete and execute all agreements, contracts, instruments or other documents evidencing and containing the terms and conditions upon which the Successful Bid and the Back-Up Bid were made (subject, in the case of the Debtors, to the qualifications set forth in "Acceptance and Termination of Qualified Bids" below).

- (n) If the final bid of the Proposed Purchaser is not the Successful Bid, the Break-Up Fee and the Expense Reimbursement shall be paid as described in the Purchase Agreement and the Bid Procedures Order. For the avoidance of doubt, pursuant to Section 8.1(e) of the Agreement, the Proposed Purchaser shall not be the Back-Up Bidder unless the Proposed Purchaser consents in writing to be the Back-Up Bidder.
- (o) The Auction shall be deemed closed ("Closed") at a time identified by the Debtors in their sole discretion, which time may be no later than the date on which the Sale Order is entered by the Bankruptcy Court. No bids can or will be accepted by the Debtors after the Auction is Closed.

THE SUCCESSFUL BID(S) SUBMITTED AT THE AUCTION SHALL CONSTITUTE AN IRREVOCABLE OFFER AND BE BINDING ON THE SUCCESSFUL BIDDER AND THE BACK-UP BIDDER FROM THE TIME THE BID IS SUBMITTED UNTIL THE EARLIEST OF (1) [], 2011⁴ OR (2) ENTRY OF THE SALE ORDER. IF THE

³ In this regard, the Purchase Agreement contains a closing condition with respect to the assumption of certain specified contracts.

⁴ To be 75 days from date of entry of the Purchaser Protections Order (as defined in the Purchase Agreement).

SUCCESSFUL BID AND BACK-UP BID ARE APPROVED PURSUANT TO THE SALE ORDER, THE SUCCESSFUL BID SHALL BE BINDING IN ACCORDANCE WITH THE TERMS OF THE PURCHASE AGREEMENT, AND THE BACK-UP BID SHALL BE BINDING UNTIL 20 DAYS AFTER ENTRY OF THE SALE ORDER. EACH QUALIFIED BID (INCLUDING THE STALKING HORSE BID) THAT IS NOT THE SUCCESSFUL BID OR THE BACK-UP BID AS APPROVED BY THE BANKRUPTCY COURT AT THE SALE HEARING SHALL BE DEEMED WITHDRAWN AND TERMINATED AT THE CONCLUSION OF THE SALE HEARING. EACH BID (INCLUDING THE SUCCESSFUL BID) SHALL BE DEEMED WITHDRAWN IF THE AUCTION IS CANCELLED OR DOES NOT TAKE PLACE PRIOR TO 75 DAYS AFTER BANKRUPTCY COURT ENTRY OF THE PURCHASER PROTECTIONS ORDER UNLESS EXTENDED BY MUTUAL AGREEMENT OF THE DEBTORS AND THE BIDDER IN QUESTION.

Acceptance And Termination Of Qualified Bids

The Debtors intend to sell the Assets to the Successful Bidder upon the approval of the Successful Bid and the Back-Up Bid(s) by the Bankruptcy Court after the Sale Hearing. The Debtors' presentation of a particular Successful Bid and Back-Up Bid to the Bankruptcy Court for approval does not constitute the Debtors' acceptance of the bid. The Debtors will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing.

Sale Hearing

The Sale Hearing shall be conducted by the Bankruptcy Court on **July 7, 2011 at 1:00 p.m. (prevailing Eastern Time)** and may be adjourned or rescheduled without notice. At the Sale Hearing, the Debtors will seek Bankruptcy Court approval of the Successful Bid and the Back-Up Bid. Unless the Bankruptcy Court orders otherwise, the Sale Hearing shall be an evidentiary hearing on matters relating to the Proposed Sale and there will be no further bidding at the Sale Hearing. In the event that the Successful Bidder cannot or refuses to consummate the sale because of the breach or failure on the part of the Successful Bidder, the Back-Up Bidder will be deemed the new Successful Bidder and the Debtors shall be authorized, but not required, to close with the Back-Up Bidder on the Back-Up Bid without further order of the Bankruptcy Court.

Terms Of Sale

Except as and to the extent provided in the purchase agreement with the Successful Bidder, and subject to Bankruptcy Court approval, the sale of the Assets shall be on an "AS IS, WHERE IS" basis and without representations or warranties of any kind, nature or description by the Debtors or their agents, and by submitting a bid, each bidder is deemed to acknowledge and agree to the foregoing. Subject to Bankruptcy Court approval and the terms of the purchase agreement with the Successful Bidder, all of the Debtors' right, title and interest in and to the Assets shall be sold free and clear of all liens, claims, interests, encumbrances, rights, remedies, restrictions, liabilities and contractual commitments of any kind or nature whatsoever, whether

arising before or after the Petition Date, whether at law or in equity (collectively “Interests”), to the fullest extent available under Bankruptcy Code section 363 with such Interests, if any, attaching to the net proceeds of the sale of the Assets in the same order, validity and priority as existed at the commencement of the bankruptcy cases, or in the case of the payment of the Break-Up Fee and the Expense Reimbursement to the Proposed Purchaser, the same order validity and priority set forth in the Purchase Agreement and the Bid Procedures Order, all subject to certain FCC and Industry Canada and other conditions. Notwithstanding the foregoing, the Debtors reserve the right to contest the validity, nature, extent or priority of and/or seek to set aside or avoid any and all Interests under applicable law.

Return Of Deposits

Each Deposit submitted pursuant to the Bid Procedures will be held in escrow by the Escrow Agent and will not become property of the Debtors’ estates absent further order of the Bankruptcy Court. Within two Business Days following the approval by the Bankruptcy Court of the Successful Bidder and Back-Up Bidder, the Escrow Agent shall return the Deposits made by any other Qualified Bidders and the Escrow Agent shall return the Back-Up Bidder’s Deposit within two business days after the Back-Up Bid is terminated in accordance with the provisions herein.

If the Successful Bidder or the Back-Up Bidder shall fail to consummate an approved sale because of a breach or failure to perform on the part of such Successful Bidder (or Back-Up Bidder, as the case may be), the Debtors shall be entitled to retain such Successful Bidder’s (or Back-Up Bidder’s, as the case may be) Deposit, in addition to other additional remedies available to the Debtors under applicable law. The Debtors shall credit the Deposit of the Successful Bidder or the Back-Up Bidder towards the purchase price at the time of funding pursuant to the terms of the definitive purchase agreement with the Successful Bidder or the Back-Up Bidder, as applicable.

Reservation Of Rights

The Debtors reserve the right to modify the Bid Procedures at or prior to the Auction if such modification will better promote the goals of the Auction, is not materially inconsistent with any prior order of the Bankruptcy Court and the Debtors, in consultation with the Creditors’ Committee, deem such modifications consistent with the performance of their fiduciary obligations.

Ladies and Gentlemen:

We understand that [Potential Buyer], or one or more of its affiliates (collectively, as the case may be, “**Recipient**”) may be interested in investing in or acquiring assets of TerreStar Networks Inc. and/or its subsidiaries (which together, for these purposes, will be referred to herein as the “**Company**”) on a mutually agreeable basis (the “**Proposed Transaction**”). In connection with Recipient’s possible interest in the Proposed Transaction, the Company and its advisors and agents are prepared to make available to Recipient certain information which is non-public, confidential or proprietary in nature. In consideration of the Company furnishing Recipient with such information, and as a condition to such disclosure, Recipient agrees as follows (the “**Agreement**”):

1. As used herein “**Confidential Information**” means all information pertaining to or in possession of the Company, its employees, affiliates, officers, directors, agents, advisors and representatives (collectively, the “**Company Representatives**”) at any time, which is, or has been (whether prior to, on, or after the date hereof) disclosed (whether in writing, orally, visually, electronically or by any other means, and whether or not marked or indicated as being confidential) to Recipient, or any of its employees, affiliates, officers, directors, partners, members, managers, agents, advisors (including its attorneys, accountants and financial advisors), consultants or representatives (collectively, but subject to the limitations in Section 2 of this Agreement, its “**Representatives**”), which the Company considers proprietary, confidential or protectable and which includes, but is not limited to: (a) information pertaining to the Company and its past, present or future business, operations, business concepts and strategies, models, pricing methods, cost structure, products, services, customer and vendor information, intellectual property, transactions (whether prospective, ongoing or completed), prospects, licensing procedures and arrangements, and financial information that is non-public, confidential or proprietary in nature, (b) the terms, conditions or other information pertaining to the Proposed Transaction and any discussions in connection therewith, and (c) any memoranda, studies, reports, analyses, compilations, extracts or notes Recipient or its Representatives prepare or produce that are based on, in whole or in part, reflect or

contain any Confidential Information (the items referred to in this clause (c) collectively referred to as “**Notes**”).

Confidential Information does not include any information that (w) Recipient can clearly establish by written documentation was already known by Recipient or its Representatives prior to its disclosure by the Company or a Company representative hereunder, (x) is independently developed by Recipient or its Representatives without the use of or reference to any Confidential Information, (y) is, or becomes, generally available to the public other than as a result of a disclosure by Recipient, or any of its Representatives, in violation of this Agreement or (z) is, or becomes, available to Recipient, or its Representatives, on a non-confidential basis from a source other than the Company or any Company Representative, *provided, however*, that such source was not, and could not reasonably have been, known by Recipient, or its Representative, to be subject to an obligation not to disclose such information.

2. Recipient shall take all measures practicable to keep the Confidential Information confidential and will not disclose the Confidential Information to anyone except (a) to its Representatives as permitted in Section 3 of this Agreement and (b) as permitted under Sections 4 and 5 of this Agreement. Without the Company’s prior written consent, Recipient’s Representatives shall not include any member or prospective member of a “group” (within the meaning of Rule 13d-5(b) under the Securities Exchange Act of 1934, as amended) or other arrangement formed or to be formed to negotiate or participate in the Proposed Transaction, and Recipient shall not disclose any Confidential Information to any such person.
3. Recipient recognizes and acknowledges the competitive value and confidential nature of the Confidential Information and the damage that could result to the Company if any information contained therein is disclosed to a third party. Recipient and its Representatives shall use the Confidential Information solely for the purpose of analyzing and evaluating the desirability of entering into the Proposed Transaction. Recipient will provide its Representatives with access to the Confidential Information only to the extent necessary to allow them to assist Recipient in such analysis and evaluation. Prior to granting any Representative access to the Confidential Information, Recipient will inform such Representative of its confidential nature and of the terms of this Agreement. Recipient shall be responsible for any breach of this Agreement by any of its Representatives. Recipient further shall reimburse, indemnify and hold harmless the Company and the Company Representatives from any damage, loss or expense incurred as a result of the use of the Confidential Information by (a) Recipient, (b) its Representatives or (c) any other recipients to whom Recipient has disclosed such Confidential Information in violation of this Agreement.
4. Unless required by applicable law (in which case Recipient will promptly advise and consult with the Company and its counsel prior to any disclosure unless prohibited by applicable law), without the prior written consent of the Company, Recipient shall not, and shall cause its Representatives not to, disclose to any person (a) the fact that discussions or negotiations are taking place concerning the Proposed Transaction, (b) any of the terms, conditions or other facts with respect to the Proposed Transaction, including

the status thereof, or (c) the existence of this Agreement, the terms hereof or that Confidential Information has been made available pursuant to this Agreement.

5. If Recipient or its Representatives are requested to disclose any Confidential Information (including but not limited to any Notes) in connection with any legal or administrative proceeding or investigation, Recipient shall, unless prohibited by applicable law, notify the Company promptly in writing of the existence, terms and circumstances surrounding such request so that the Company may seek a protective order or other appropriate remedy and/or take steps to resist or narrow the scope of the disclosure sought by such request. Recipient agrees to reasonably assist the Company in seeking a protective order or other remedy, if requested by the Company. If a protective order or other remedy is not obtained and, in the opinion of Recipient's counsel, disclosure is required, Recipient may make such disclosure without liability under this Agreement, *provided, however*, that Recipient or its Representatives furnish only that portion of the Confidential Information which is legally required to be disclosed, Recipient (unless prohibited by applicable law) gives the Company notice of the information to be disclosed as far in advance of its disclosure as practicable and Recipient uses reasonable efforts to ensure that confidential treatment will be accorded to all such disclosed information.
6. Recipient acknowledges and agrees that neither the Company nor any Company Representative nor any of its or their respective officers, directors, employees, agents or "controlling persons" (within the meaning of Section 20 of the Securities Exchange Act of 1934, as amended) (a) has made or makes any express or implied representation or warranty as to the accuracy or completeness of the Confidential Information, or (b) will have any liability whatsoever to Recipient or any of its Representatives or any third party to whom Recipient discloses any Confidential Information resulting from or relating to any use of the Confidential Information or any errors therein or omissions therefrom, except as may be provided in any definitive written agreement between the parties with respect to the Proposed Transaction. Recipient further acknowledges and agrees that it is not entitled to rely on the accuracy or completeness of the Confidential Information, and that Recipient will only be entitled to rely on such representations and warranties as the Company may provide in any definitive agreement entered into between the Company and Recipient with respect to the Proposed Transaction, subject to such limitations and restrictions as may be contained therein.
7. All Confidential Information disclosed by the Company or the Company Representatives to Recipient or its Representatives pursuant to this Agreement shall be and remain the property of the Company. Nothing in this Agreement shall be construed as granting to Recipient any right, title or interest in or to any patent, trademark, license, copyright or other right of the Company.
8. Upon the written request of the Company, Recipient and its Representatives shall (y) promptly delete all Confidential Information from any computer and backup storage system in which the Confidential Information has been stored and (z) either destroy or return to the Company all documents and other materials (including without limitation all copies or reproductions of such documents or materials, tapes, computer disks, backup copies, and other forms of electronic storage media) which constitute, contain or are

derived from the Confidential Information (including the Notes). Recipient shall deliver to the Company a certificate signed by an officer or a person holding a position of equivalent authority of Recipient confirming that Recipient and its Representatives have complied with the requirements of this Section 8. Notwithstanding the return, deletion or destruction of the Confidential Information, Recipient and its Representatives shall continue to be bound by the obligations of confidentiality and other obligations set forth in this Agreement.

9. All inquiries for information about the Company and its subsidiaries and communications with the Company will be made through Blackstone Advisory Partners L.P. Neither Recipient nor any of its Representatives shall contact any other Company Representative or any third party with whom the Company or any of its subsidiaries has a business or other relationship (including without limitation any customer, supplier, stockholder or creditor of the Company or any of its subsidiaries) with regard to the Company or the Proposed Transaction, without the Company's prior written consent, which consent shall not be unreasonably withheld or delayed.
10. Neither the Company nor Recipient shall be under any legal obligation with respect to the Proposed Transaction, or any other transaction or undertaking, unless and until a definitive agreement between the parties hereto is executed and delivered by both of them. Recipient understands that (a) the Company shall conduct the process for the Proposed Transaction as it, in its sole discretion, shall determine (including without limitation negotiating with one or more prospective buyers and entering into definitive agreements with another party without prior notice to Recipient or any other person), (b) any procedures relating to the Proposed Transaction may be changed at any time without notice to Recipient or any other person, (c) the Company shall have the right to reject or accept any potential buyer, proposal or offer, for any reason whatsoever, in its sole discretion, and (d) neither Recipient nor any of its Representatives shall have any claims whatsoever against the Company, the Company Representatives or any of its stockholders arising out of or relating to the Proposed Transaction, including claims for reimbursement from the Company for any cost, fee or expense (including but not limited to any due diligence expenses or costs) incurred by Recipient or its Representatives in connection with pursuing or consummating the Proposed Transaction (other than claims which may arise against the parties to a definitive agreement to effect the Proposed Transaction with Recipient in accordance with the terms thereof).
11. Recipient acknowledges and agrees that the Company may be damaged irreparably if any provision of this Agreement were not performed in accordance with its specific terms or were otherwise breached. Accordingly, the Company shall be entitled to seek equitable relief, including without limitation an injunction or injunctions to prevent breaches of the provisions of this Agreement and to enforce specifically this Agreement and its provisions in any action or proceeding instituted in any state or federal court of the United States or any state thereof having jurisdiction over Recipient and the matter, in addition to any other remedy to which the Company may be entitled, at law or in equity. Without limiting the foregoing, service of process on Recipient or its Representatives at its address on the first page of this Agreement will be deemed effective service of process on Recipient. Except as expressly provided herein, the rights, obligations and remedies

created by this Agreement are cumulative and in addition to any other rights, obligations or remedies otherwise available at law or in equity. Except as expressly provided herein, nothing herein shall be considered an election of remedies. In the event of litigation pertaining to this Agreement, the non-prevailing party shall reimburse the prevailing party for its reasonable costs incurred in connection with such litigation.

12. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York applicable to contracts made and to be entirely performed therein. In the event of any controversy or claim arising out of or relating to this Agreement or the breach or alleged breach hereof, each of the parties hereto irrevocably (i) submits to the exclusive jurisdiction of the United States Bankruptcy Court for the Southern District of New York in which the chapter 11 proceedings of the Company and its affiliated debtors currently are pending (the “**Bankruptcy Court**”), (ii) waives any objection which it may have at any time to the laying of venue of any action or proceeding brought in the Bankruptcy Court, (iii) waives any claim that such action or proceeding has been brought in an inconvenient forum, and (iv) agrees that service of process or of any other papers upon such party by registered mail at the address to which notices are required to be sent to such party under Section 21 shall be deemed good, proper and effective service upon such party.
13. The Company may in its sole discretion waive Recipient’s compliance with any of the obligations or conditions for the Company’s benefit contained herein. Any such waiver shall be valid only if set forth in a writing signed by the Company. No waiver by the Company of any default, misrepresentation or breach hereunder, whether intentional or not, may be deemed to extend to any prior or subsequent default, misrepresentation or breach hereunder or affect in any way any rights available with respect to any prior or subsequent such occurrence. Neither the failure nor any delay by any party hereto to exercise any right or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude any other or further exercise of the same or of any other right or remedy.
14. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, as applied to any party or to any circumstance, is judicially determined not to be enforceable in accordance with its terms, each of the parties hereto agrees that the court judicially making such determination may modify the provision in a manner consistent with its objectives such that it is enforceable, and/or delete specific words or phrases, and in its modified form, such provision shall then be enforceable and shall be enforced.
15. Except as otherwise expressly set forth herein, the obligations of the parties under this Agreement shall terminate on the second anniversary of the date of this Agreement; *provided, however*, that from and after the closing of a definitive agreement between the parties hereto relating to the Proposed Transaction, nothing herein shall apply to or restrict Recipient’s use of any Confidential Information that is included in the assets of the Company acquired by Recipient pursuant to the terms of the definitive agreement

(and regardless of whether such assets are acquired directly or indirectly by purchase, merger or otherwise).

16. Recipient acknowledges that the Company is incurring and will continue to incur substantial costs and expenses in connection with its continued evaluation of whether to consummate the Proposed Transaction with Recipient. Recipient agrees that, except as expressly provided in this Agreement, for a period of two years from the date of this Agreement, unless such action shall have been specifically invited in writing by the Board of Directors of the Company (it being understood that execution of this Agreement by the Company does not constitute such an invitation), neither Recipient nor any of its Representatives on its behalf will in any manner, including but not limited to entering into communications to or discussions with the record or beneficial stockholders of the Company, directly or indirectly,
- (a) effect or seek, offer or propose (whether publicly or otherwise) to effect or seek, cause or in any way assist any other person to effect or seek, or offer or propose (whether publicly or otherwise) to effect or seek, or otherwise participate in (i) any acquisition of any outstanding shares of any class of securities (or beneficial ownership thereof) or rights or options to acquire any such securities (or beneficial ownership thereof) or any of the assets, indebtedness or businesses of the Company or any of its subsidiaries or affiliates, (ii) any tender or exchange offer or merger or other business combination involving the Company or any of its subsidiaries or affiliates, or assets of the Company or any of its subsidiaries or affiliates constituting a significant portion of the consolidated assets of the Company and its subsidiaries or affiliates, or (iii) any recapitalization, restructuring, liquidation, dissolution or other extraordinary transaction with respect to the Company or any of its subsidiaries or affiliates,
 - (b) make, or become a participant in, any “solicitation” of “proxies” (as such terms are defined in Regulation 14A promulgated by the Securities and Exchange Commission) or consents to vote any voting securities of the Company or any of its subsidiaries or affiliates, or otherwise advise any person with respect to the voting of any voting securities of the Company or any of its subsidiaries or affiliates,
 - (c) form, join, become a member or in any way participate in a “group” (within the meaning of Rule 13d-5(b) under the Securities Exchange Act of 1934, as amended) with respect to the securities of the Company or any of its subsidiaries or affiliates,
 - (d) otherwise act, alone or in concert with others, to seek to control or influence the management, Board of Directors, stockholders, or policies of the Company or any of its subsidiaries or affiliates, or take any action to prevent or challenge any transaction to which the Company or any of its subsidiaries or affiliates is a party,
 - (e) take any action, or make or permit its Representatives to take any action, which might force the Company or any of its subsidiaries or affiliates to make a public announcement or other public disclosure regarding any of the types of matters set forth in (a), (b), (c), or (d) above, or

(f) advise, assist, arrange, or otherwise enter into any discussions or arrangements with any third party with respect to any of the foregoing prohibited conduct.

Recipient also agrees during such period not to request the Company (or any of its directors, officers, employees or other representatives), directly or indirectly, to amend or waive any provision of this Section 16 (including this sentence).

17. Recipient agrees that, without the Company's prior written consent, neither Recipient nor any of its Representatives acting on its behalf will for a period of one year from the date of this Agreement directly or indirectly (a) divert or attempt to divert any business or customer of the Company or any of its subsidiaries other than through normal commercial activities conducted in the ordinary course of business; or (b) solicit any employee at or above the level of officer of the Company or any of its subsidiaries (i) for employment by Recipient or by any of its affiliates, or (ii) to provide consulting or other services to or on behalf of Recipient or any of its affiliates; *provided, however*, that Recipient shall not be prohibited from employing any such person who contacts Recipient on his or her own initiative or who responds to a published general solicitation not specifically targeted at such person, in either case without any direct or indirect solicitation by Recipient or any of its affiliates or Representatives. For the avoidance of doubt, this provision shall not apply to any portfolio company held by an investment fund advised or sponsored by Recipient or its affiliates unless Confidential Information has been provided to that portfolio company or that portfolio company has acted at the direction or with the prior knowledge of Recipient or any of its Representatives who have received Confidential Information.
18. The term "person" as used in this Agreement shall be broadly interpreted to include the media and any corporation, partnership (general or limited), limited liability company, unlimited liability company, joint venture, estate, trust, group, association, organization, labor union, individual or any other entity or governmental or quasi-governmental body.
19. This Agreement constitutes the entire agreement and understanding of the parties in respect of the subject matter hereof and supersedes all prior understandings, agreements or representations by or among the parties, written or oral, to the extent they relate in any way to the subject matter hereof.
20. No party hereto may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other parties, and any such assignment by a party without prior written approval of the other parties shall be deemed invalid and not binding on such other parties; *provided, however*, that the Company may assign its rights hereunder, including the right to enforce the terms hereof, to any person with which it may enter into a definitive agreement to effect the Proposed Transaction.
21. Unless otherwise specified herein, all notices permitted or required hereunder shall be in writing and delivered personally or sent by overnight express mail or courier or sent by facsimile to the other party at the address or facsimile number below (or at such other address or facsimile number as a party shall designate in writing to the other party in the manner specified herein) and shall be effective at the earlier of the date received or, if by

facsimile, upon sender's receipt of electronic confirmation of receipt if within normal business hours at the place notice was sent or, if thereafter, on the following business day.

The Debtors may, in the exercise of their business judgment, extend a Qualified Bidder's time to conduct due diligence after the Bid Deadline until the Auction; *provided, however*, that the Successful Bidder and Back-Up Bidder shall be permitted to continue to conduct due diligence until closing of the sale (subject to the terms of the Purchase Agreement); *provided, further, however*, that a Qualified Bid shall not be subject to further due diligence after the Bid Deadline.

Bid Deadline

The deadline for a Potential Bidder to submit bids shall be **June 8~~27~~, 2011 at 5:00 p.m. (prevailing Eastern Time)** (the “Bid Deadline”).⁵ Any Potential Bidder who fails to submit a bid so as to be received by the Notice Parties (as defined below) in advance of the Bid Deadline will not be a Qualified Bidder and shall not be permitted to participate in the Bidding Process ~~and will not be a Qualified Bidder~~or the Auction.

Prior to the Bid Deadline, a Potential Bidder that desires to make a bid shall deliver written copies of its bid in writing and executed by an individual or individuals authorized to bind the Potential Bidder. Each bid shall be served by courier, facsimile, e-mail or as otherwise specified by the Debtors to each of the Notice Parties.

Bid Requirements

To participate in the Auction, a bidder (other than the Proposed Purchaser) must be a Potential Bidder and must deliver a written offer, which includes, at a minimum, the following items (the “Required Bid Materials”) prior to the Bid Deadline:

- Two executed originals of the purchase agreement and other documents by which the Potential Bidder offers to purchase the Assets that are the subject of the bid from the Debtors at the purchase price and upon the terms and conditions as the Potential Bidder sets forth therein, which documents should be in substantially the form of the Purchase Agreement, and any ancillary agreements, together with a marked copy showing any proposed changes, amendments or modifications to the Purchase Agreement (and exhibits) attached as **Schedule 1** hereto.
- A written acknowledgment that the bid is not subject to any due diligence or financing contingency, is not conditioned on the payment in any circumstances of a break-up fee, expense reimbursement or similar type of payment to the bidder, is irrevocable until entry by the Bankruptcy Court of the order approving the Proposed Sale (the “Sale Order”) (unless it is chosen as the Successful Bid or Back-Up Bid (each as defined below)) and is not subject to any approvals, consents or conditions except as specified therein.
- A written acknowledgement by the bidder that it agrees to all of the terms for sale set forth in these Bid Procedures.

⁵ ~~__Bid Deadline to be 35 days from date of entry of the Bid Procedures Order.~~

- Specification of the proposed purchase price and of the Assets that are the subject of the bid.⁶²
- Delivery by certified check or wire transfer of a good faith deposit (the “Deposit”) in immediately available funds equal to \$68.75 million, which is 5% of the ~~proposed~~ purchase price (the “~~Deposit~~”) for the Assets that are the subject of the ~~bid~~ proposed by the Proposed Purchaser. The Deposit shall be held in escrow and will be refunded on the terms set forth below.
- Evidence or a statement indicating that the bidder has obtained authorization and approval from its Board of Directors (or comparable governing body) with respect to the submission and consummation of its bid and acceptance of the terms of sale in these Bid Procedures, or a representation that no such authorization or approval is required and that any and all initial consents required in connection with the submission and consummation of the bid have been obtained and that no other initial consents are required.
- Evidence of sufficient cash or other acceptable forms of currency on hand or written evidence of a commitment for financing or other evidence of the ability to consummate the sale satisfactory to the Debtors with appropriate contact (and any other necessary) information for such financing sources.
- A list of the Debtors’ executory contracts and unexpired leases with respect to which the bidder seeks assignment from the Debtors and a specification of what the bidder believes to be the appropriate cure amounts and which cure amounts will be the bidder’s responsibility and which will be the Debtors’ responsibility. For the avoidance of doubt, this information will be included on the notice sent to all assumed contract counterparties (without discussing the name of the bidder) prior to the Auction, as set forth in more detail herein.
- A written disclosure of the identity of each person or entity that is bidding for the Assets or otherwise participating in connection with such bid and whether such person or entity holds an interest in another mobile satellite service provider and, if so, the name of the mobile satellite service provider and the nature and size of the interest, *provided, that* the Debtors will keep such information confidential and will not disclose such information without the written consent of the Potential Bidder. Further, each bid must provide sufficient information regarding both the bidder and any participants (and each of their ultimate controlling persons if any), to satisfy the Debtors with respect to the requirements enumerated in section

⁶² The Debtors have no assurance that their current DIP Lender will continue to provide DIP Financing after the maturity of the current DIP Financing facility (i.e., July 19, 2011). As such, and to the extent that the current DIP Lender does not extend both additional financing as well as the maturity of the Debtors’ current DIP Financing, any Potential Bidder will need to provide the Debtors with (or otherwise include in its Required Bid Materials) DIP financing necessary to fund the Debtors’ chapter 11 cases, their foreign recognition proceedings commenced in Canada, and operations through and until the closing date or, if sooner, the funding date of any sale contemplated by these Bid Procedures.

- Such other information as may be reasonably requested in writing by the Debtors at least two calendar days prior to the Bid Deadline.

In order to be a Qualified Bid, a bid (including all Required Bid Materials) must:

- be received by the Bid Deadline;
- be on terms that the Debtors determine, in consultation with the Creditors' Committee, are no less favorable in the aggregate to the Debtors than the terms of the Purchase Agreement;
- not be subject to any due diligence or financing contingency; and
- not request or entitle the bidder to any break-up fee, expense reimbursement or similar type of payment, ~~provided, however, that the Debtors, in their discretion (with the reasonable consent of the Creditors' Committee) may decide to grant break-up fee and expense reimbursement protections to any bidder approved as a "Stalking Horse" bidder in accordance with these procedures.~~

A bid received from a Potential Bidder that includes all of the Required Bid Materials and meets all of the above requirements is a "Qualified Bid" if the Debtors, in consultation with the Creditors' Committee, determine that such bid evidences a *bona fide* interest and ability on the part of the Potential Bidder to (i) purchase the Assets or any material portion thereof, and (ii) provide or procure adequate postpetition financing for the Debtors. A Potential Bidder that submits a Qualified Bid (a "Qualified Bidder") shall be entitled to participate in the Auction. The Debtors reserve the right to contact bidders before or after the Bid Deadline to discuss or clarify the terms of their bid and to indicate any terms which may need to be modified in order to conform the bid to a Qualified Bid or otherwise evaluate the bid.

The Debtors, in consultation with the Creditors' Committee, may accept a single Qualified Bid or multiple bids for non-overlapping material portions of the Assets such that, if taken together in the aggregate, would otherwise meet the standards for a single Qualified Bid. The Debtors, in consultation with the Creditors' Committee, may also permit otherwise Qualified Bidders who submitted bids by the Bid Deadline for a material portion of the Assets but who were not identified as a component of a single Qualified Bid consisting of multiple bids, to participate in the Auction and to submit higher or otherwise better bids that in subsequent rounds of bidding may be considered, together with other bids for non-overlapping material portions of the Assets, as part of such a single Qualifying Bid.

~~The Qualified Bid selected by the Debtors, in consultation with the Creditors' Committee, as the highest or otherwise best bid following the Bid Deadline and prior to the start~~

~~of the Auction shall be provided to all other Qualified Bidders at least 24 hours prior to the start of the Auction (the “Opening Bid”).~~

Proposed Purchaser is a Qualified Bidder

The Proposed Purchaser is a Qualified Bidder, and the Purchase Agreement is a Qualified Bid. The Proposed Purchaser shall not be required to take any further action in order to participate in the Auction or, if the Proposed Purchaser’s bid is the Successful Bid (as defined below), to be named the Successful Bidder at the Sale Hearing (as defined below).

Necessity of an Initial Incremental Qualified Bid

If no Initial Incremental Qualified Bid (as defined below) is received by the Debtors prior to the Bid Deadline, no Auction will take place and the Debtors shall request the Bankruptcy Court to approve the Proposed Sale to the Proposed Purchaser at the Sale Hearing. If but only if an Initial Incremental Qualified Bid is received by the Debtors prior to ~~the Bid Deadline, the Debtors~~ shall conduct the auction with respect to the Assets. For purposes of these Bid Procedures, an “Initial Incremental Qualified Bid” shall mean (a) a single Qualified Bid for substantially all of the Assets or (b) collectively, two or more Qualified Bids for Assets that do not overlap but that together are for substantially all of the Assets, and that in the case of either (a) or (b) amount to a single Qualified Bid to acquire substantially all of the Assets in exchange for value to the Debtors’ estates, which the Debtors in their reasonable business judgment determine is at least equal to or greater than \$1,430,500,000 which is the sum of: (i) the Purchase Price of \$1,375,000,000 set forth in the Agreement, (ii) \$3,000,000, the maximum amount of the Expense Reimbursement, (iii) \$27,500,000 the amount of the Break-Up Fee, and; (iv) \$25,000,000, which Initial Incremental Qualified Bid shall be payable in cash or equity securities freely tradable on a nationally recognized securities exchange; provided, however, that the Debtors, in consultation with ~~the Creditors’ Committee~~, reserve the right to accept a bid that includes consideration in the form of an agreement to forgive secured debt as an Initial Incremental ~~Qualified Bid~~, so long as such bid satisfies all of the requirements of an Initial Incremental Qualified Bid other than the requirement that the bid be payable in cash or equity securities freely tradable on a nationally recognized securities exchange. The Debtors, in consultation with ~~the Creditors’ Committee~~, will state the value and methodology for valuation of any such bid on the record of the auction. The Initial Incremental ~~Qualified Bid selected by the Debtors, in consultation with the Creditors’ Committee, as the highest or otherwise best bid following the Bid Deadline and prior to the start of the Auction shall be provided to all other Qualified Bidders (including to the Proposed Purchaser) at least 24 hours prior to the start of the Auction (the “Opening Bid”).~~ For the avoidance of doubt, only Qualified Bidders who submit an Initial Incremental Qualified Bid (or a Qualified Bid that, when combined with one or more other Qualified Bids, constitutes an Initial Incremental Qualified Bid) shall be permitted to participate in the Auction.

Notwithstanding anything contained herein to the contrary, the holders of loans (collectively, the “PMCA Lenders”) and the Collateral Agent (defined below) under that certain Purchase Money Credit Agreement (the “PMCA”), dated as of February 5, 2008, as amended

from time to time, among TerreStar Networks Inc. as borrower, U.S. Bank National Association as collateral agent (the “PMCA Collateral Agent”), and the lenders party thereto, shall, subject to execution of a confidentiality agreement in form and substance satisfactory to the Debtors, be deemed Qualified Bidders for purposes of submitting a credit bid on the Collateral (as such term is defined in the PMCA and the related Security Agreement between TerreStar Networks Inc. and U.S. Bank National Association) securing the loans advanced under the PMCA, and the PMCA Lenders and the PMCA Collateral Agent each retain the right to make a credit bid for the Collateral at any point during the Auction.

~~At any time before the Bid Deadline, the Debtors, with the reasonable consent of the Creditors’ Committee, may seek Bankruptcy Court approval to enter into a purchase agreement (the “Stalking Horse Agreement”), subject to higher and better offers at the Auction, with any bidder that submits a bid (the “Stalking Horse Bidder”) to establish a minimum Qualified Bid at the Auction. The Stalking Horse Agreement may contain certain customary terms and conditions, including expense reimbursement and a break-up fee in an amount to be determined by the Debtors, with the reasonable consent of the Creditors’ Committee. To the extent the Debtors seek Bankruptcy Court approval to enter into any such Stalking Horse Agreement, the Debtors may seek expedited approval thereof, but in no event shall the Debtors seek such expedited approval on less than five (5) business days notice. The Debtors shall serve notice of the Stalking Horse Agreement and any hearing to consider approval thereof on all parties on the Debtors’ Rule 2002 Notice list. To the extent that the Bankruptcy Court approves the Debtors’ entry into a Stalking Horse Agreement, and the order approving a Stalking Horse Agreement is entered less than three (3) business days before the date of the Auction, the Auction date (and any corresponding dates thereafter) shall be adjusted to allow for three (3) business days notice between entry of any such approval order and the date of the Auction and shall account for the exact number of days so adjusted.~~

The Debtors shall confirm to all Qualified Bidders the time and place of the Auction.

Only a Qualified Bidder who is designated as such by the Debtors, in consultation with the Creditors’ Committee, is eligible to participate at the Auction. During the Auction, bidding

- (b) Only representatives of (i) the Debtors, (ii) ~~persons or entities making the~~ Proposed Purchaser, (iii) other Qualified ~~Bids~~ Bidders, (iii) ~~iv~~ the administrative agent for the Debtors' currently outstanding DIP Facility (to the extent such representative has executed a confidentiality agreement in form and substance satisfactory to the Debtors), (iv) ~~v~~ the indenture trustee for, any holder of, or any representative of the Ad Hoc Group (in the case of any such trustee, holder or representative, to the extent such trustee, holder, or representative has executed a confidentiality agreement in form and substance satisfactory to the Debtors), (v) ~~vi~~ any PMCA Lender and the PMCA Collateral Agent (to the extent such PMCA Lender or PMCA Collateral Agent has executed a confidentiality agreement in form and substance satisfactory to the Debtors), (vi) K&L Gates LLP, as counsel to Sprint Nextel Corporation; (vii) Deloitte & Touche Inc., in its capacity as information officer in the foreign recognition proceedings commenced in Canada, and its counsel Bennett Jones LLP; and (viii) ~~ix~~ the Creditors' Committee shall be permitted to be present at the Auction. For the avoidance of doubt, although these parties shall be permitted to be present at the Auction, only Qualified Bidders may bid at the Auction.
- (c) The terms of each Qualified Bid selected from time to time by the Debtors, in consultation with the Creditors' Committee, as being the highest or otherwise best offer at any such time (each such Qualified Bid selected at any time, the "Leading Bid" at such time) shall be fully disclosed to all other Qualified Bidders. For the avoidance of doubt, each Leading Bid and each bid identified as being the highest or otherwise best offer for any or all of the Assets at any time shall have no conditions other than those disclosed.
- (d) The Auction shall commence with the Debtors confirming the particulars of the Opening Bid and asking for higher and better offers. The Auction shall continue with subsequent rounds of bidding and, after each round, the Debtors shall announce the Leading Bid.
- (e) The Debtors shall provide for a court reporter to be present at and prepare a transcript of the Auction. The Debtors may determine, in their discretion, to

- (g) The Debtors, acting in good faith and in the exercise of their fiduciary duties to maximize value to the Debtors' estates, may ~~accept~~combine Qualified Bids (including the Stalking Horse Bid) as a Leading Bid~~s~~ or as the Successful Bid if such Qualified Bid~~s~~s, taken together, constitute a sale of all or substantially all of the Assets without overlap with a value to the Debtors' estates, which the Debtors in their reasonable business judgment determine is, as so combined, an Initial Incremental Qualified Bid.
- (h) Bidding shall commence at the amount of the Opening Bid, as determined by the Debtors in consultation with the Creditors' Committee. Qualified Bidders may then submit successive bids higher than the previous bid in increments of no less than \$10 million. The Debtors reserve the right, in consultation with the Creditors' Committee, to announce reductions or increases in minimum incremental bids (or in valuing such bids) at any time during the Auction.
- (i) The Proposed Purchaser shall have the right to include the allowable amount of the Break-Up Fee and Expense Reimbursement in the amount of any subsequent bid that it makes in the Auction and, in the event the Proposed Purchaser is the Successful Bidder at the Auction, the Proposed Purchaser shall be entitled to credit the allowable amount of the Break-Up Fee and Expense Reimbursement against the purchase price ultimately payable by the Proposed Purchaser.

- (4m) The Auction shall continue until there is only one bid (or more than one bid for non-overlapping portions of the Assets that collectively constitute substantially all of the Assets) that the Debtors determine, in consultation with the Creditors' Committee, and subject to Bankruptcy Court approval, is the highest or otherwise best offer or offers that together constitute the highest or otherwise best offer or offers for the Assets from among the Qualified Bidders (including the Proposed Purchaser) submitted at the Auction (the "Successful Bid"). In determining the Successful Bid, the Debtors, in consultation with the Creditors' Committee, in the exercise of the Debtors' business judgment, shall consider, without limitation, the amount of the purchase price, the form of consideration being offered (i.e. although the Debtors will consider all forms of consideration, the Debtors prefer cash to all other types of consideration), the Qualified Bidders' ability to complete the transaction constituting the Successful Bid (including without limitation, the ability to obtain any required regulatory approvals or consents or the lack thereof), the proposed timing thereof, the contracts being assumed by the bidder,⁸³ the rights of such Qualified Bidder and the Debtors with respect to the termination thereof, the number, type and nature of any changes reflected in the purchase agreement requested by each Qualified Bidder, and the net benefit to the Debtors' estates. - (n) If the final bid of the Proposed Purchaser is not the Successful Bid, the Break-Up Fee and the Expense Reimbursement shall be paid as described in the Purchase Agreement and the Bid Procedures Order. For the avoidance of doubt, pursuant to Section 8.1(e) of the Agreement, the Proposed Purchaser shall not be the Back-Up Bidder unless the Proposed Purchaser consents in writing to be the Back-Up Bidder.
- (o) The Auction shall be deemed closed ("Closed") at a time identified by the Debtors in their sole discretion, which time may be no later than the date on which the Sale Order is entered by the Bankruptcy Court. No bids can or will be accepted by the Debtors after the Auction is Closed.

⁸³ In this regard, the ~~form of~~ Purchase Agreement contains a closing condition with respect to the assumption of certain specified contracts.

Acceptance And Termination Of Qualified Bids

The Debtors intend to sell the Assets to the Successful Bidder upon the approval of the Successful Bid and the Back-Up Bid(s) by the Bankruptcy Court after the Sale Hearing. The Debtors' presentation of a particular Successful Bid and Back-Up Bid to the Bankruptcy Court for approval does not constitute the Debtors' acceptance of the bid. The Debtors will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing.

Sale Hearing

The Sale Hearing shall be conducted by the Bankruptcy Court on ~~June 21~~July 7, 2011 at **21:00 p.m. (prevailing Eastern Time)**¹⁰ and may be adjourned or rescheduled without notice. Unless the Bankruptcy Court orders otherwise, the Sale Hearing shall be an evidentiary hearing on matters relating to the Proposed Sale and there will be no further bidding at the Sale Hearing. In the event that the Successful Bidder cannot or refuses to consummate the sale because of the breach or failure on the part of the Successful Bidder, the Back-Up Bidder will be deemed the new Successful Bidder and the Debtors shall be authorized, but not required, to close with the Back-Up Bidder on the Back-Up Bid without further order of the Bankruptcy Court.
